The meeting was conducted as follows:

Review Minutes and Correspondence:

There were no minutes to review this week.

Pedestrian Walkway Planning Sub-Committee Associate Members:

- Daisy Dearborn

Walkway Inventory:

- No new discussion this week

Communication Planning:

- Mr Rising and Mr. Fuller talked to us about the Assabet Rail Trail. They showed us a couple of maps, one that showed by color what land would be easy to build on, and then another large map that showed the parcels of land lines in Stow

Data Gathering and Assessment:

- Ms. Sipler showed us a picture of the common a long time ago and gave us a history of what commons mean in New England. She asked that if we put in a walkway in upper common, cobblestone or bricks would be nice

Funding:

- No new discussion this week

Walkway Prioritization:

- No new discussions this week

Action Items:

- Lori will ask Kristin to check the 12 properties along the area we are to put walkways and see if the town owns and easement on those properties and which ones have it.
- Tory will contact the Conservation Commission again will contact NHESP to confirm whether or not it will require notification
- Lori will contact Susan Carter to let her know that we are investigating two line items, but in the meantime, we want to get started. She will also talk about other ideas for the Common area

Member Update and Future Meeting Planning:

- We will talk about the results of the survey from May 15th
- Our meeting on Jun 2 or 9 will be a meeting with Walk Boston
- Our meeting on Jun 9 or 16 will be to develop the Alice Eaton Fund Application
