Review Minutes and Correspondence:

- We reviewed the minutes from 23 Jun and approved the minutes.

Pedestrian Walkway Planning Sub-Committee Associate Members:

- Now that Tory is leaving us, we will see if any of the other people who expressed interest would like to join us. The Planning Board will send out a notice for a request for interest.

Communication Planning:

- We continue to get more input from our on-line survey
- We discussed the creation of a new multipurpose recreation path sub-committee. We are concerned about the public confusion and duplication of effort between the two committees. Jim will take back our request for them to change their name and when they form, to state clear objectives of what they wish to achieve and how they will acquire funds to fulfill those objectives.
- Jim and Lori have not heard back from Habitech. They will follow up.

Data Gathering and Assessment:

- Kris found Jodi Kabalch, a contact on Sudbury's Walkway Committee and invited her to meet with us

Funding:

- Martha met with George King on the Alice Eaton Fund. He was interested in the walking club, but stated he would need to work with his staff to develop process and implementation program. We'll soften the wording on our Alice Eaton Fund application.

- Surveys filled out on Website.
