Meeting Minutes:

Public and Non-Public Meeting Minutes for June 10 2009

Gordon Barker moved to accept public minutes with the corrections of the word “provide” in place of the word “receive” under the Master Plan section, and the correction under Road Salt to Fred Hutton’s name.; Dan McAuliffe seconded – Motion passed unanimously.

Gordon moved to accept and seal minutes the non-public minutes. Dan McAuliffe seconded – Motion passed unanimously.

The FRPP grant application was submitted and received. The grant should be decided by 7/6.

Discussed what type of individual we would like to have as replacement for Town Planner. Pat will be attending a meeting with the Selectmen next week. Suggestions included:

- Someone familiar with easements
- An environmental planner
- Someone to act as a liaison between the CC and PB
- Familiar with wetland mitigations
- Concern with protecting wells so we don’t have to go to town water (not just someone who assumes this has to happen)

Next regular meeting scheduled for 7 PM on Wednesday, July 8th at the Municipal Center.

Respectfully Submitted:

Pat Elwell
