CC Members present: Brad Jones, Bob Keating, Dan McAuliffe,

The Stratham Conservation Commission remembered Jerry Batchelder fondly for the work he has done over the many years on the Commission. Jerry was 84 and passed away on October 29, 2009 and had spent many years volunteering his time on the Commission. Jim Scamman, Jr. has expressed an interest in joining a town committee and if Edie Barker is not interested in the position, Pat will contact Jim.

Language for any changes to the Land Use fund and for renaming the forest to the Gordon Barker Town Forest will be due in January. These issues need to be discussed at the next meeting for submission to Paul. Pat is contacting the NH Assoc. of Conservation Commissions to determine if they have info on language that might be used for the fund money.

Donna has not heard from Lincoln regarding Master Plan corrections. Paul indicated that Lincoln had some personal issues occur this week so he was out but to try to contact him next week to get the status of the work.

The Seacoast Land Trust will be holding a fundraiser at the Rye Science Center on Sat, Nov. 7, 2009. All are welcome to attend, more information is on their website.
