*June 18, 2014 NHDES Meeting Concord, NH*

Lincoln Daley and Alison Knab attended a meeting at NHDES offices to discuss the River Road connector road project. The meeting included a discussion of Stratham mitigation for the wetland impacts; it was not certain whether the Zarnowsky property would be adequate for mitigation of the wetland impacts, as the NHPS easement held for power lines would be excluded from the total property size available for mitigation. Site walks will be held in July to acquaint NH and Federal stakeholders with the proposed site.

*Stratham Master Plan*

Pat Elwell has been participating on the Master Plan Committee, which held a meeting in June. Public input will be solicited as a part of the master plan update this year.

At 7:38pm Bill McCarthy moved and Bob Keating seconded a motion to adjourn, which passed unanimously.

The next meeting is scheduled for 7pm Wednesday, July 9 at the Stratham Municipal Center.

Respectfully submitted,

Donna Jensen, Secretary
