

Water Commission Meeting
August 5, 2003

Attending: George Miller, Chairman
Mark McCleary
David Sallet

Called to Order @ 7:30 p.m.

Topics:

- The Chairman recognized and welcomed the commission's newest member, David Sallet, appointed to the commission by the Selectmen as an alternate.
- Discussed the upcoming August 11 public hearing regarding the removal of the Winnicut River dam.
- Reviewed status of data entry and correlation to be completed by Jeremy Smith.
- Reviewed history of brackish water present in a well on 61 Bunker Hill. Continuous pumping of the well has stopped and no further action taken on the matter.
- Commission received document listing PCS sites within the town of Stratham.
- Discussed the Superior Court suit brought by the owner of the Honda Barn regarding the ground water monitoring of the new Shell station.

Action Items:

- Members of board to attend the August 11 (7pm) meeting at the Greenland Town Hall to give public comment on a study regarding the removal of the Winnicut River dam.

Meeting Adjourned @ 8:30 pm

Respectfully submitted,

Mark McCleary
