

Water Commission Meeting
May 4, 2004

Attending: Jeremy Smith, Chairman
George Miller, Commissioner
Mark McCleary, Commissioner
John Boisvert, Commissioner

Called to Order @ 7:40 PM

Topics:

- Minutes from the April 6, 2004 meeting of the Stratham Water Commission were read and accepted as read.
- George Miller reviewed with Commission the public presentation on Monday, April 12, at 7 p.m. at the Greenland Town Hall to summarize the findings of the Final Draft Feasibility Study regarding the analysis of restoration options for the Winnicut River in Greenland.
- Reviewed Stratham Selectmen's meeting of May 10, 2004.
 - Selectmen approved expanding the Water Commission from three to five commissioners. Selectmen approved appointment of John Boisvert to three year term and David Sallet to two year term as Water Commissioners.
 - Reviewed proposal to improve Stratham property and resource mapping presented to Stratham Selectmen by James W. Sewall Company.
- Lisa Ham expressed interest in joining Water Commission as an Alternate Commissioner. Jeremy will contact Lisa in regard to interest.
- Jeremy presented information on Water and Sewer system design standards.
- Commission discussed researching the formation of a Water and Sewer district for Stratham. Items to review include inventorying existing assets, legal issues, liabilities and responsibilities of district.
 - George to research existing NH RSA.
 - John to research an inventory of existing community water & sewage systems in Stratham.
 - Mark to research and identify locations of high water transmissivity within Stratham.

Meeting Adjourned @ 8:30 PM

Respectfully submitted,

Mark McCleary
