**May 3, 2005**

**Attending:** David Sallet, Commissioner  
Mark McCleary, Commissioner  
Lissa Ham, Commissioner  
George Miller, Alternate Commissioner

**Called to Order @ 7:40 PM**

**Topics:**

- Discussed the need for a computer to be used by this committee. George Miller reviewed the requirement with Stratham Town Administrator Paul Deschaine. Paul will research the availability of a computer for the commission to use.
- The commission took delivery of the Sixth Annual Report from Aquarion Water Company of New Hampshire for 'Wetlands Monitoring Report for Production Wells 17,18 and 19'.
- The Public Works Commission is invited to a Planning Board workshop on Wednesday, May 4 at 7:00 p.m. to join with other town boards and commissions to discuss the issues and goals they each may have in planning and development of the community.
  - In preparation for the Planning Board Workshop, commissioners reviewed and discussed possible changes to Chapter 4 *Utilities and Public Services* and Chapter 7 *Resource Conservation and Preservation* of the *Stratham Master Plan*.

**Meeting Adjourned @ 8:50 PM**

Respectfully submitted,

Mark McCleary
