No minutes available to review as Lissa has them and is not in attendance.

**Town Report** –Went over PWC document to refine the questions and the answers. We will have one sheet for the report, which will result in four questions. The reports are due mid-January.

The mission statement will be the opening paragraph.

1. What is the mission of the Public Works Commission
2. Why did the town create a PWC for water and sewer.
3. What is the Great Bay .....
4. Are we going to have to install a town water and sewer....
5. Aren't septic systems fine.....

Next meeting 6 February 2007 at 7:30 pm.

Motion to adjourn at 9 pm

Respectfully submitted
