

Meeting Notes
Board of Public Works Commissioners
June 5, 2007

Attendees: Bob Mitchell, David Sallet, John Boisvert, Lissa Ham
Paul Deschaine
Michael Perfit, PWC –in-training

Meeting called to order 7:46 pm

1. Pinewood Drive – What does the Commission need to do for tomorrow night— issues:
 - a. Filling wetlands to get to wetlands to disturb the wetlands
 - b. Condition - as occurs in the town forest area , once recreational users get in there, private property lines become extinct, -- require a firm boundary along the property line...such as jersey barriers...how do you get a snowmobile to respect the property line?
 - c. No refueling onsite
 - d. How do you monitor it?
 - e. Primary use vs. secondary use – can't make it a residential property ever, so how could residential ever be primary use.
 - f. We need the DES regs. re: wellhead protection – need to conform to BMP's – Town is responsible for enforcing:
 - i. wellhead protection
 - ii. groundwater protection rules --- prohibits certain uses.
 - iii. groundwater reclassification rules
 - g. How do you prevent frozen ground from being torn up?

2. Portsmouth Avenue data – Lissa and George tallied businesses along 33 today...DES Water Division... subdivision sewage disposal rules...Env WS 372 - small community water systems.
 - a. Design will give you more than you will generate or need--- if you are buying capacity – then numbers will be too much.
 - b. Accuracy? How detailed do we want to project?
 - c. John will help me look at the numbers.....some night after work

Motion to adjourn at 9:20 pm.

Next meeting will be June 26th.

Respectfully submitted,
