25 Ms. Lake called the meeting to order at 6:05 PM.  
26

27 The Committee discussed the sidewalk construction project underway in the Town Center.  
28 There were various discussions on plantings, trees, and future additions to the project. C.  
29 Lavery was asked to contact Dan Hudson, CMA about potential of extending the sidewalk to  
30 Piper's Landing; estimated to be approximately 300 feet. The Committee discussed potential of  
31 requesting continued CIP funding to further extend the sidewalk in the future; likely with a  
32 private contractor.  
33

34 C. Lake inquired about the tree selection in the construction plans. C. Lavery read the updated  
35 tree planting list including Linden, and Maples. The Committee discussed requesting a revision  
36 in the plans to include only Maple species. C. Lake motioned to forward this recommendation to  
37 Selectmen and CMA/Ironwood. L. Gagnon, seconded the motion. All were in favor.  
38

39 T. Austin informed the Committee of the 8, 300<sup>th</sup> Anniversary banners that had been ordered. C.  
40 Lavery agreed to remove the existing banners and install the 300<sup>th</sup> anniversary banners. Banners  
41 were to be relocated to the new sidewalk lightpoles following their installation.  
42

43 Selectman Canada adjourned the meeting at 6:55 pm.  
44

45 Respectfully Submitted,  
46 Tavis J. Austin, AICP, Town Planner
