Members Present: John Dold, Neil Rowe, Mike Smith and David Short

The Board of Adjustment held a Public Meeting on Tuesday, October 13, 2009 at 7:30PM to discuss a Request for a Rehearing received from Attorney John Simmons on September 10, 2009.

Attorney Simmons stated his client would like the full Board that voted on the night of the original meeting held on August 11, 2009. Chairman Dold explained that tonight's meeting is different from a Public Hearing in that a meeting is between the members of the Board and they don't necessarily have to listen to testimony.

At the applicant's attorney's request, the Board voted to continue the rehearing discussion to the November 10, 2009 meeting.

Respectfully,

Norma Corrow, ZBA Clerk
