On this twenty third annual celebration of the special relationship between our Clubs and Communities, the Rotary Club of Stourbridge and the Mayor, Councillor Mohammed Hanif, of the Metropolitan Borough of Dudley join together to send warmest greetings to our friends in Stourbridge.

At this time of uncertainty where Great Britain has voted to leave the European Community it is good to know that we have very strong bonds of friendship between our clubs and we hope that they will grow even stronger in the months and years ahead.
