Sign and Property Requests

There were no Sign and Property Use requests submitted for approved

Old Business

Lynne will be placing the skate park info to the local papers Sub Committee to be formed

New Business

The Floating docks from the recreation area were submitted for auction

Recreation Area

Lycott treatment completed on June 3, 2008

The Frechettes asked that the committee consider placing the Kids Don't Float sign on the Pavilion Bathhouse facing the playground. They would also like to place a plaque above the sign, instead of a plaque on a bench the plaque is to read: In memory of Christian Frechette. The Committee approved the plaque.

The Committee would like to look at the area to see where the sign should be placed for best visibility and accessibility from the water.

FY 10

Engineering Study traffic Flow at the Recreation Area

Life Trail quote

Respectfully Yours,

Lynne Girouard
