

Sturbridge Recreation Committee Meeting Tuesday February 17, 2009

In Attendance: Mike Moran, Mike Curtin and Al Jones

Absent: Lynne Girouard, Tom Kane and Mary Lou Volpe

We felt the recreation committee should send a good luck letter to Mike Diruzza (retiring as girl's basketball coordinator) and also ask him if he knows who his replacement will be (Joe Freitas?)

What do you think of the idea to have 4 sheets of plywood that we could hang on the left side of the fence around the skate park? Then we could show movies one night during the summer and have people sit on the hillside to watch. All we would need is a projector, a generator a long extension cord and some kid friendly movies.

We would like to try to get Jack Canavan (Burgess Assistant Principal Scott Gareri (selectman liaison) Virginia Stallone (Finance Liaison) to attend at one of our upcoming meetings?

Could we use the Town of Sturbridge Bus to bring kids from the summer recreation Program up to wells state Park to take advantage of a ranger program there?

We decided that we should try to build the kids don't float sign board using labor from the recreation Committee and community volunteers. Can we purchase the materials using our account?

Sturbridge Recreation Mini camp at Burgess we think this is great only? Who actually runs the program?

Do we need additional acts for the summer concert series?

Since we never set up the ice rink this winter do we need a replacement liner in the budget?

We need to get the word out to the leagues that we need a lot of support for the 2 Field design funding votes (CPC and general fund) at the Annual Town meeting in April.

We need to work on a short presentation (5 Minutes)
