

Sturbridge Recreation Committee Meeting Tuesday, February 16, 2010

Meeting came to order at 5:45PM

In Attendance: Mike Moran, Al Jones and Mary Lou

Absent: Mike Curtin, Tom Kane

The Recreation committee opened the remaining proposals from the Design Firms.

Craig Miller from Waterfield Design attended the meeting to discuss the outline over the next few months for the Town Barn and Shepard Parcel Fields. The Committee has decided to hold a meeting for Mid March for the league reps and town officials and then to hold a public meeting for 1st week in April.

Craig Miller has requested League information on the # of participants enrolled in recreational sports leagues and the # of children enrolled in the elementary and middle school projections.

The following items need to be performed on site:

- Flagging of the wetlands(vegetation and hydrology is needed by the conservation commission per Erin)
- Topography survey
- Endangered species specification

Regular Field Construction \$150,000.00

Tournament Field Construction 30% to 40% + (250,000.00)

Craig Miller looking for the contract between the town signed by the acting Town Administrator

Meeting Adjourned at 8:15pm

Respectfully Submitted,

Lynne Girouard
