Recycling Bins

The recreation committee at this time doesn't have the money in their budget for new recycling containers at the recreation area and town common. Betterment request have been submitted at this time. Are there any grants available for this expenditure? Can the high school technical department build them?

Finance Meeting

Al Jones and Lynne Girouard met with finance on Thursday March 17 to review FY budget and the request to increase the recreation coordinator to full time. The finance committee did bring up a possibility of additional clerical help for the department. The Recreation committee was not in favor of this option 4-0. They were unanimous 4-0 in favor of not including the team funding money into next year's budget.

Field Design Reviewed

1. Fitness trail to loop around the property
2. Irrigation at the Shepard Parcel (well needs to be installed)
3. Can we bring irrigation down to the new fields
4. Conduit for lighting only
5. Topo Map for Greg
6. Maintenance for the proposed fields

Community Service group (Kevin Moran, Brian Beaudoin and Jake Nascembeni) cleaned up the Shepard Parcel of junk on Saturday March 19, 2011. DPW will pick up the and dispose of the debris. Lynne will submit a letter of appreciation to the students.

Next meeting March 30, 2011 at 5:30pm to finalize the design

The Recreation Committee would like a representative from each league to be present at the April 4,th meeting to discuss the field complex

Meeting Adjourned at 7:45pm

Respectfully submitted

Lynne Girouard
