

**BOARD OF SELECTMEN
EXECUTIVE SESSION
SEPTEMBER 4, 2007
9:30 PM**

Present: Harold White, Arnold Wilson, William Emrich, Steven Halterman,
Edward Goodwin & James Malloy

A. Wilson requested an update on various litigation.

J. Malloy indicated that the litigation with Southbridge is still waiting a court date. He indicated that Southbridge had sent a shut off notice for water since the Town is not paying the full sewer bill, only the undisputed amounts. He had Mirick O'Connell contact Southbridge's attorney to ensure that this was not going to happen. J. Malloy reported that Southbridge has confirmed the notice was generated by computer and that Southbridge will not be sending any more such notices.

J. Malloy discussed the Choinski vs. Board of Selectmen case and that Town Counsel has sought to have the case dismissed. J. Malloy will update the Board on any movement on this case.

H. White asked about the Earl's claim and noted that Town Counsel's response was in the in box, but the original claim was not. J. Malloy indicated that the original was sent to Town Counsel upon receipt but indicated he would get a copy and place it in the board's box.

Moved by S. Halterman, Seconded by W. Emrich to adjourn. Voted 5-0 to adjourn.

The meeting adjourned at 9:45 PM.
