

**SUNAPEE FIRE DEPARTMENT
BOARD OF ENGINEERS
September 10, 2018**

D Ruggles called the meeting to order at 7:00pm.

Present were: Dan Ruggles, Dana Ramspott, Howard Sargent and Mark Scott.

D Ruggles asked M Scott if the Committee is making progress on the reorganization of the Fire Department. M Scott informed the Engineers the committee is down to two people but is make headway.

D Ruggles will attend the Selectmen's Meeting on September 24th to get their approval to accept the Thermal Imaging Camera as a donation from the Sunapee Firemen Association valued at \$4,722.

Charlestown Fire Department reached out to Steve Marshall to ask permission to join our Department for propane training. It was noted this would not be a problem. Mandatory classroom training for this exercise will take place September 11. In order to participate in the live burn you must attend the classroom portion. Some discussion took place as to the logistic of the propane class to be held on September 18, 2018 in the upper parking lot of the Abbott Library.

D Ruggles spoke to David Bailey, Water & Sewer Superintendent regarding the hydrant at Mt View, and noted that the hydrant in the harbor is repaired.

D Ruggles brought up the budget as the next order of business. He encouraged the Engineers to try to keep the budget as flat as possible. The Safety Services Building Budget will need to increase to accommodate some building maintenance that needs to happen.

At 7:47pm H Sargent made a motion and it was seconded by M Scott to go into non-public session, all in favor.

At 7:57pm D Ramspott made a motion and M Scott seconded it to come out of non-public session, all in favor.

At 7:58pm Dana Ramspott made a motion and H Sargent seconded to adjourn, all in favor.

Daniel Ruggles, Chief
