- COC- can be found online & possibly handing it out a registration time

Discussed distinction between Rec and private teams.

Baseball Update

- Begin looking at playing in different baseball league based on All-Star selection process
- Bats we will need
- New USA Baseball to be legal. No longer good 1.5bpf
- 14 and under 2 5/8 barrels (except t-ball)
- Rec will need to replace bats. Do a large group purchase for the league. Insurance will mandate us to change bat.
- Still need towns & select directors. Not all towns showing up.

Skating Rink

- When & why it is closed
- Encourage people to stay off it when not shoveled as it creates an uneven surface
- Skates are disorganized
