**No DEP# RDA**

The Public Hearing was opened at 7:20pm. M. Briggs read the hearing notice as it appeared in the Millbury Sutton Chronicle.

The project consists of removal of four trees within 200' of the pond.

Present: John and Francis Jensen, owners

J. Jensen told the Board he would like to take four dead trees down. Two of the trees are cherry trees that are 40' from the lake, the other two are pine and poplar trees that are about 15' from the water. This will allow the other trees to grow, and he will replace the four trees with 3" caliper native trees. They have a much wooded piece of property with 240 – 250 trees, and have two acres (442') of frontage on the pond. One of these trees that hang's over the neighbor's property keeps fluffing off.

**BOARD BUSINESS**

The Board signed the Order of Conditions for 269 Mendon Road.

The Board discussed the runoff issue at the Econo Lodge. J. Smith did a site visit when the complaint was received. Run off appears to be coming from Jon LeClaire's Phase III project. Planning Board will review this issue as there is no bond on this part of the project yet.

There was a discussion on the issue of the abutters list that is different from the Planning list, in that the 300' is to include all the abutters not just the first two. The Assessor's office will received the correct copy from Conservation
