Pete Kane, Planning Board

Meeting started at 7 PM

Rupinder Semphi spoke about our thoughts on the upcoming planning Department projects and wanting to make sure the our commission is included on the plans for plans for the Humphrey St. Overlay Projects. He spoke about concerns for the ADA and 521 CMR being followed. The commission had specific concerns about bike racks and tables on the side walks. Concerns were also spoken about the crosswalks, bump outs and street light placement.

Mr. Kane informed us that the Planning board and DPW were aware of those rules and the plan was only in draft. We did ask the Rupinder and Mr. Kane be in contact on a regular basis

Sincerely submitted,
Patricia Malphrus, Chair person
