Meeting called to order at 7:05 PM

Marilyn Huruwitz from the Swampscott Senior Center presented to the commission. She spoke about needed improvements to the following:

A Bathroom that has no raised toilets.

alarm pulls in every bathroom

Needed improvements to the parking lot spots. Needed handicap spots and curb cuts on the end

She told us she had spoken to the building department, that informed her that all was ADA, but ADA doesn't mean usable.

We also spoke about issues with plowing and shoveling

Suggestions were made by Rupinder that there are alarms in every bathroom.

We will talk to a private contractor and help her get costs to present in her 2016 budget

We welcomed Linda Lengil, who will be a new member to the commission and spoke about the other 2 applicants

Jim Badger spoke about the selectman's meeting and his discussion with them about the great work that has already been done. He spoke about Audio crosswalks. We would like to set up a meeting with the traffic study.

Discussed having Pete Kane come to a future meeting to talk about building projects. Rupinder will head this up.

We spoke about up coming health fair

Adorned at 8:30 PM
