### PROCESS DISCUSSION

There was a brief discussion regarding the LHDC timetable -- when we will complete taking photographs of structures in the proposed LHD and how this will be done. Sylvia made a plea for speed in moving forward with meetings to inform residents, accumulating data for records needed by Mass. Historical Commission, urging members of the committee to be ready to file an article for LHD at Town Meeting in May of 2013, as we are continuing to lose historic buildings at a rapid pace.

### WORKSHOP SESSION

Jer Jurma shared his familiarity with the original source materials stored in the Baldwin Room, including record books, census data, old photographs, maps and more.

Meeting adjourned at 8:30 p.m.
