## APPROVAL NOT REQUIRED

The ANR (approval not required) filed as 12ANR-3 was reviewed by the Planning Board prior to the Special Town Meeting that evening. The ANR concerned the property located at 5 Superior St, Lynn, with a small portion lying within Swampscott.

The Town Planner and Board members reviewed the plot plan and noted that the Lynn Planning Board had already signed the Approval Not Required. J. Blonder moved to approve the ANR with the added statement “The above endorsement is not a determination of conformance with the Town of Swampscott Zoning By-Law requirements”. This was seconded by A. Ippolito and unanimously approved by the Board.

That being the sole purpose of the meeting, meeting adjourned at 6:30p on a motion made by J. Blonder and unanimously approved.
