April 2012 Newsletter

Stormwater Pollution Prevention Plan [SWPPP] and Spill Prevention Control and Countermeasure Plan [SPCCP]: The SWPPP/SPCCPs for the airport have been finalized and signed by the contracting engineers on **January 19, 2012**. As a direct result of this, certain airport facility modifications and/or improvements must be implemented and inspected within six months of the certification date. All leaseholders and tenants identified in their report have been notified via certified mail with a letter detailing the scope of action. In an effort to collect and compile proof of compliance data, we request that the issues/violations identified in your area be remedied and completed no later than **June 1, 2012**.

We are asking for your cooperation to keep the Taunton Municipal Airport in compliance - as not being in compliance will jeopardize the airport's certification and future funding.

Phase 1 Runway 4-22 Easement/Land Acquisition – FY 2012 Airport Improvement Project: Airport Solutions Group has completed and sent for further processing FAA and MassDOT Grant Applications pertaining to the ongoing rehabilitation of Runway 4-22 and connecting taxiway project.

Just a Reminder: All charges incurred by airport customers are due and payable upon receipt of monthly statements and all accounts lapsing beyond 90 days past due are subject to loss of House Account privileges and subject to further collection action. *Please pay your bill promptly!*

Taunton Municipal Airport Commission Meetings: The TMAC meets on the last Wednesday of every month in the Leonard F. Rose SRE building unless otherwise noted. The next scheduled meeting will be held on Wednesday, April 25, 2012. The meetings are open to the public and all are invited to attend and participate.
