This data is now used by the MassDOT Registry of Motor Vehicles to determine aircraft registration. All "Airworthy" aircraft are subject to registration. Please be sure to report to this office any change in your aircraft's airworthiness to avoid any discrepancies with the MassDOT or National Aircraft Registry.

Just a Reminder: All charges incurred by airport customers are due and payable upon receipt of monthly statements and all accounts lapsing beyond 90 days past due are subject to loss of House Account privileges and subject to further collection action. *Please pay your bill promptly!*
