Construct Taxiway B – FY2013 AIP Project: As a result of meeting with and receiving approval of FAA and MassDOT Aeronautics at the September 2013 Capital Improvement Projects [CIP] meeting, ASG has initiated the project to construct Taxiway B to the “East Side” of the airport. The pre-design meeting is scheduled for Thursday, December 5, 2013 at FAA Airports Division in Burlington, Mass. This approval by FAA and MassDOT, upon project completion, will allow TMAC the opportunity to have multiple hangars constructed in this until now undeveloped east side of the airport.

2014 Fee Structure: The TMAC Schedule A Fee Structure rates effective January 2014 were discussed and voted upon at the November Commission meeting. After considerable discussion, the Airport Commission agreed to the following 2014 rates.
