February 2013 Newsletter

Airport Solutions Group Welcomes Mr. James Miklas: ASG has welcomed James Miklas to their team and he will be working extensively on the preparation of the Taunton Municipal Airport Master Plan Update. The new Master Plan Update, along with significant airport user input is a vital undertaking at this time in order to move the airport forward, especially regarding the reconstruction of runway 4-22.

Please Take Note Regarding Outstanding Balances: All charges incurred by airport customers that have lapsed beyond 60 days past due will have House Account privileges suspended indefinitely, and accounts beyond 90 days will be sent certified mail stating the amount overdue and have 14 days from that date to respond with payment or other acceptable arrangement. Failure to take acceptable action will result in implementation of any or all of the six items listed on Page 28 of the airport's SOPPs.

Photo Identification Badges: Many ID badges expired and were renewed during the past year. Please check that your badge is current and active.

Airport Community Awareness and Participation: As always, the users of the airport are the best eyes and ears that we have. We depend on your input; please bring to our attention any items or issues that may arise between now and the next meeting.

Taunton Municipal Airport Commission Meetings: The TMAC meets on the last Wednesday of every month in the Leonard F. Rose SRE building unless otherwise noted. The next scheduled meeting will be held on Wednesday, February 27, 2013. The meetings are open to the public and all are invited to attend and participate.
