Airport Master Plan Update [AMPU]: ASG, FAA, MassDOT/Aeronautics and TMAC representatives conducted the Master Plan scoping meeting at FAA headquarters on February 12, 2013. The new Master Plan Update, that needs to include significant airport user input is a vital undertaking at this time in order to move the airport forward, especially regarding the reconstruction of runway 4-22.

Greater East Taunton Area Neighborhood Crime Watch Meeting: The Taunton Police Department's sponsorship of the Neighborhood Watch Program is expanding into East Taunton. The next meeting is scheduled for Thursday, March 14th, 2013 at 6:30 pm in the Holy Family Parish Center, 438 Middleboro Avenue. TMAC encourages participation in this activity to help enhance the safety and security of our airport especially during off business hours. For more information/questions about the neighborhood crime watch meeting you may contact Jennifer Bastille, Safe Neighborhood Program Advisor at crimewatch@tauntonpd.com.

Please Take Note Regarding Outstanding Balances: All charges incurred by airport customers that have lapsed beyond 60 days past due will have House Account privileges suspended indefinitely, and accounts beyond 90 days will be sent certified mail stating the amount overdue and have 14 days from that date to respond with payment or other acceptable arrangement. Failure to take acceptable action will result in implementation of any or all of the six items listed on Page 28 of the airport's SOPPs.

Airport Community Awareness and Participation: As always, the users of the airport are the best eyes and ears that we have. We depend on your input; please bring to our attention any items or issues that may arise between now and the next meeting.

Taunton Municipal Airport Commission Meetings: The TMAC meets on the last Wednesday of every month in the Leonard F. Rose SRE building unless otherwise noted.
