Construct Taxiway B – FY2013 AIP Project: As a result of meeting with and receiving approval of FAA and MassDOT Aeronautics at the September 2013 Capital Improvement Projects [CIP] meeting, ASG has initiated our project to construct Taxiway B to the “East Side” of the airport. The pre-design meeting was held on Thursday, December 5, 2013 at FAA Airports Division in Burlington, Mass. Upon project completion, TMAC will have the opportunity to have multiple hangars constructed in this, until now, undeveloped east side area of the airport.
