Extended Hours of Fuel Operations: Fueling hours at Taunton Municipal Airport have been extended to 8:00 p.m. [dusk] on Thursday evening thru Sunday evening on a trial basis for the summer months. It is hoped that the extended hours will help increase fuel sales.

The Taunton Airport Association, Airport Commission Cookout: The annual spring cookout sponsored by the Taunton Airport Association and The Taunton Municipal Airport Commission was held on Sunday, June 8th. This year's event was the most successful ever and both the Association and Airport Commission want to thank all who attended and in any way contributed to this great success. Tickets were \$5.00 and half of the total money collected from ticket sales was drawn as a 50/50 raffle and the winner received \$300.00.

Airport Identification Badges: Just a reminder that that no person is allowed to enter the Airport Operating Area (AOA) [inside the fence line] unless that person has been granted unescorted access authority and is in possession of and displaying his or her TAN issued badge. Be aware of your badge expiration date as it is needed to access the assigned gate controls.

Taunton Municipal Airport Commission Meetings: The TMAC meets at 7:00 p.m. on the last Wednesday of every month in the Leonard F. Rose SRE building unless otherwise noted. The next scheduled meeting will be held on Wednesday, July 30, 2014. The meetings are open to the public and all are invited to attend and participate. Individuals with disabilities who require assistance or special arrangements to attend, please contact the Airport Manager at 508-821-2973. We request that you provide a 48 hour notice so that the proper arrangements may be made.
