RE: Board of Health Dumpster Permitting Regulation

Dear Municipal Council:

Per your request, enclosed, please find a copy of the Taunton Board of Health Dumpster Regulations. The Board of Health has experienced chronic problems with overflowing dumpsters causing nuisances and potential public health issues within the City of Taunton. The Board enacted this regulation in order to be able to better track the owners of the dumpsters as well as the property owners that use dumpsters, in order to gain better compliance with the Sanitary Codes of the Commonwealth. This regulation helps to ensure that the owners of the dumpsters obtain a Solid Waste Haulers Permit and the property owners obtain the Dumpster Permit from the Board of Health. When the permits are applied for, the Board of Health obtains contact information for the parties involved and this allows everyone to be held accountable in the event that there is a nuisance issue with the Dumpster.

Additionally, a dumpster inspection is typically already conducted along with inspections of establishments that would normally have a dumpster, such as during food inspections.

Should you need more information, please feel free to contact this office. Thank you.

Sincerely,

Heather L. Gallant, MPH, RS, CHO

### City of Taunton Board of Health

#### Dumpster Regulations

The City of Taunton Board of Health, in accordance with, and under the authority granted by Sections 31A and 31B of Chapter 111 of the General Laws of the Commonwealth of Massachusetts hereby adopted the following rules and regulations at a meeting of the Board held on February 7, 2012, effective March 1, 2012.

Dumpster Regulations and for the Storage, Removal, and Transportation of Garbage, Rubbish, Offal, or Other Offensive Substances

#### 1. Definitions:

- A. Board: The Board of Health or its agent or designee.
- B. Dumpster: Any container (other than a conventional trash can with lid) used for the outside storage of garbage, rubbish, or refuse of any sort.
- C. User/Property Owner: Any individual, partnership, corporation, association, or other legal entity that contracts or request for the installation, maintenance, or servicing of a dumpster.
- D. Company/Corporation: Any individual, partnership, corporation, association, or other legal entity that contracts with or responds to requests from users by providing for the installation, maintenance, or servicing of a dumpster

#### 2. Licensing of Dumpster Companies/Contractors/ Waste Haulers

- A. No company/contractor shall supply a dumpster service in the City for the purpose of storage, removal, or transportation of rubbish, garbage, offal, and other materials and substances without first obtaining a Waste Haulers Permit from the Board of Health.
- B. The company/contractor supplying the dumpster shall have the company and business telephone number conspicuously displayed on the dumpster.
- C. The dumpster company/contractor shall provide dumpsters in good working order at all times.

**3. Permitting Dumpsters at Property Locations**

- A. The user/property owner, at any location, that contracts the use of a dumpster less than 6 cubic yards must apply for a City of Taunton Board of Health Dumpster Permit. A separate permit must be obtained for each dumpster in use upon the property.
- B. All non-temporary permits shall expire at the end of the calendar year in which they were issued.
- C. Temporary permits will be issued to an individual for a period of time not to exceed fifteen (15) days, in connection with fairs, carnivals, or for other similar temporary needs. Such permit may be renewed for an additional (15) days, as the need requires, upon proper application. The individual shall comply with all the provisions within, applicable to the operation of the dumpster.
- D. The Board of Health may refuse an annual permit or temporary permit, if in its discretion, the size or capacity for the dumpster does not fulfill the requirements of the Board of Health.
- E. A fee of \$50.00 shall be paid upon application for all non-temporary dumpster permits. A fee of \$25.00 shall be paid upon applications for all temporary dumpsters. Failure to renew a non-temporary dumpster at the end of the calendar year will result in a \$50.00 late fee.

**4. Dumpster Use for All Dumpsters within the City of Taunton**

- A. All dumpsters in residential areas must be enclosed with a 6' stockade fence or a 6' chain link fence with privacy slats. Dumpsters in commercial areas, which are chronic offenders of this ordinance, will be, at the Boards discretion, required to enclose there dumpsters with a 6' stockade fence or a 6' chain link fence with privacy slats.
- B. Each dumpster must be located at a distance from the lot line so as not to interfere with the safety, convenience, or health of abutters or residents. Dumpster location must be approved by the Board of Health.
- C. All dumpsters must have lids that remain closed at all times when not in use.
- D. Each dumpster must be of sufficient size and capacity to eliminate overflowing, and the property owner or authorized agent of the premises utilizing the service must take appropriate action immediately to empty contents when full.
- E. Each dumpster must be situated so as not to obstruct the view of flowing traffic.

- F. It shall be the responsibility of the owner or agent whose property is being serviced to maintain the dumpster area free of odors, scattered or overflowing debris, and all other nuisances.
- G. The dumpster contractor shall have the dumpster deodorized when emptied or if necessary, washed or sanitized as directed or ordered of the Board of Health.
- H. All dumpsters shall display a clearly visible decal or stencil showing the name and business telephone number of the company/contractor that services the unit.
- I. These regulations apply to all dumpsters in the City of Taunton whether for residential, commercial, or industrial use.

**5. Regulation Application, Modifications, Suspension, Revocation, and Waivers**

- A. These regulations shall apply to all dumpsters used anywhere within the City of Taunton.
- B. Permits May be modified, suspended, revoked, or recalled by the Board of Health, after notice and hearing, for failure of the company/contractor, and/or property owner to comply with the provisions of this ordinance.
- C. The Board of Health may, by written decision, vary the application of any provision of these regulations with respect to any particular case, when the enforcement thereof would do manifest injustice; provided that any such decision of the Board of Health shall not conflict with the express purpose of these regulations. Any variance shall, while it is in effect, be available to the public during normal business hours in the Board of Health office.

**6. Penalties**

- A. Any person who violates the terms of these regulations shall be subject to a fine of \$25.00 for the first offense, \$50.00 for the second offence, and \$100.00 for each subsequent offense under the non-criminal disposition authorized by M.G.L. Chapter 40 Section 21D. Each day shall constitute a separate offense.
- B. Failure to renew a non-temporary dumpster at the end of the calendar year will result in a \$50.00 late fee.

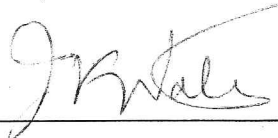

10.

The revised City of Taunton Dumpster Regulations was unanimously adopted by a vote of the Taunton Board of Health, after a public hearing on February 7, 2012, and will become effective as of March 1, 2012.

Dear Mayor Hoye and Members of the City Council:

The Department of Human Services/Taunton Council on Aging receives two (2) grants to fund part-time employees to provide receptionist services in the Senior Center and outreach services to homebound elders of Taunton. The two receptionist positions, 18 and 19 hours per week, and three case worker positions, 18 hours each per week, have not had an increase in their hourly wage in five years. Both the Community Development Block Grant and Executive Office of Elder Affairs Formula grant will now allow for an increase of one dollar (\$1.00) per hour: Receptionist: \$ 8.50 per hour to \$9.50 per hour; Case Worker \$11.00 - \$12.00 per hour.

At this time, I respectfully request your approval to increase the hourly wage of the five positions beginning July 2, 2012.

I thank you for your continued support of the elders of Taunton.

Sincerely,

Anne C. Bisson  
Director

RE: Utilization of Airport for Flying Model Aircraft

Dear Ms. Blackwell:

Regarding your communication of April 26, 2012 and at your request, we submit the following response:

- In or about the year 2005, the Taunton Municipal Airport Commission was approached by a group of individuals who enjoyed flying their model aircraft and who were recently displaced from using our city parks, inquiring if the Airport Commission would allow them to use the Airport grounds.
- Upon review of their request, the Airport Commission was able to approve this request and offered the group the use of an area adjunct to our 4-22 turf runways.
- On April 7, 2012, the Airport Manager notified the group that the Airport Commission had tentatively approved the startup of skydiving operations at the airport and as a result, it would be necessary to relocate the group to an area of the airport property where the club may continue to operate and enjoy their hobby. A copy of the notification letter is attached for your review.
- On or about April 26, 2012, the Airport Manager, upon learning of a discussion held during a recent City Council meeting regarding the use of the airport/model aircraft group, sent an email to City Councilor Sherry Costa Hanlon, Esq., in an effort to clarify the discussion and airport actions. A copy of the email and Councilor Hanlon's response is attached for your review.

13

- Since notification on April 7, 2012, a representative of the group has contacted the Airport Manager, been shown the alternative area and provided with a key to the gate for further review.

The Airport Commission fully supports all forms of aviation, including model aircraft enthusiast and operations. We hope that the available area is sufficient for their use and continue to welcome all to use the airport property to its fullest potential.

Thank you for the opportunity to response to your communication. We hope that the information provided not only clarifies the issue but serves as our response.

Respectfully,

Dear Bob,

The Taunton Municipal Airport Commission has tentatively approved the startup of skydiving operations at the airport, possibly beginning midway thru or at the end of May.

As a result of this expected happening it will be necessary for the relocation of your model helicopter club operations. Please contact me [after April 25<sup>th</sup>] to review an area within the airport where your club may continue to operate.

Also, we request your presence at our Annual Open House and Neighborhood Field Day to be held this year on Saturday, June 16, 2012.

Thank you for your time and consideration . . .

Hi Sherri . . .

It has been brought to my attention that you were contacted by concerned individuals regarding their use of a section of the Taunton Airport for model airplane flying. [Please note: "model airplane" flying is not allowed because of their potential to invade aircraft operating airspace, but lower flying "model helicopter" usage is permitted.

In difference to what you may have been told please find attached a letter that I sent to the leader of the East Taunton Rotary Wing Club explaining what is happening and how we are willing to resolve any inconvenience that their relocation may create.

As always, please feel free to contact me with any issues and concerns that affect our city airport.

Hi Dan:

Thanks for the e-mail and update. I hope I didn't misrepresent the issues presented to me as it was a long night Tuesday. No one was complaining. The people who called me must have received information from Butch Burgo. I asked Butch and he seems to understand and was fine with everything.

I think its more "curiosity" on the part of those calling. As you know, any little change seems to spark an avalanche of questions.

Thanks again for the quick response.
