Dear Mayor Crowley:

At their regular meeting on Tuesday, April 6, 2010, your Bristol-Plymouth Regional Technical School District Committee voted to approve the attached FY 2011 budget. Prior to the regular meeting, a public hearing was held in accordance with the notice posted in all member communities and advertised through a legal notice in the Taunton Daily Gazette.

Information regarding the approved budget and the assessment to the City of Taunton, as well as the assessments to the other district communities, is enclosed. **The City of Taunton FY 2011 total assessment is \$4,365,193.** Please note that the figures presented here are based upon **the latest available information** from the Commonwealth of Massachusetts and the Department of Education.

We are pleased to report that as in previous years the FY 2011 budget reflects community assessments at the minimum required level. These levels are established by the regional agreement, the Massachusetts Department of Education and the Commonwealth of Massachusetts based on the Governor's budget. Should these figures change, we will adjust as necessary and notify our communities accordingly.

We look forward to attending a meeting of the Municipal Council to discuss the enclosed information. Please contact my office in order that we may set up a mutually agreeable time. Thank you for the continued support of your students at Bristol-Plymouth.

Sincerely,

Dear Mayor Crowley and Council Members:

The Neighborhood Corporation is currently preparing for our 17th Annual Taunton River Festival, to be held at the Weir Riverfront Park on Saturday, June 5, 2010. In order to facilitate set-up for this event and to ensure the safety of the participants and attendees, we are requesting that the Taunton Police Department officially designate the area of East Water Street that runs along the Park as a "No Parking" area from 7:00 PM on Friday, June 4th through 5:00 PM on Saturday, June 5th.

In the event of inclement weather, the Festival will be rescheduled to Sunday, June 6, 2010. If the Festival is delayed to Sunday, we respectfully request that the parking ban also be delayed by 24 hours. We will notify the Police Department before 7:00 PM on Friday if we plan to reschedule.

We appreciate your consideration of our request, and invite the Mayor and Council members to join us for this free, family-oriented event. If you have any questions, please feel free to contact me at 508 824-8712.

RE: 390 Washington Street

Dear Mayor and Councilors:

I have been in contact with the owner of the above referenced property regarding the status of reconstruction. He is presently awaiting a hearing with the Zoning Board of Appeals to determine the future plans for the property. Through complications beyond his control, he is not scheduled to appear before the Zoning Board of Appeals until May; however, he has agreed to begin demolition of the damaged portions of his building prior to his final plan.

He will be in to apply for the necessary permits within two weeks.

I will continue to monitor progress at the site. If you should have further questions please don't hesitate to call (508) 821-1015.

Dear Council President Carr and Councilors:

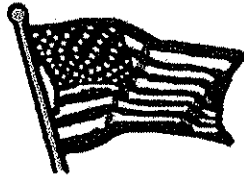

I have two outstanding certification lists for four (4) Firemen and one (1) Police Officer from the Human Resource Division. A few weeks ago at a Municipal Council Meeting, the Mayor explained he has no additional funding for these positions. However, no motion was made to return these certifications.

Therefore, I respectfully request if there are to be no appointments made from these certifications, you make a motion requesting that I return these lists back to Civil Service.

Thank you for your attention to this matter.

Respectfully,

Rose Marie Blackwell
