LICENSES AND MISCELLANEOUS BUSINESS REGULATIONS

ARTICLE V. HAWKERS AND PEDDLERS

Sec. 12-82. Flea Markets

Be it ordained by the Municipal Council of the City of Taunton as follows:

That Section 12 of the Revised Ordinances of the City of Taunton, as amended, be and hereby are further amended by adding Section 12-82:

(a) Definitions. The following words shall, for the purpose of this section, have the following meanings, unless the context requires otherwise:

Flea Market shall mean that portion of a building or property occupied by one or more vendors, other than retail stores, for sale to the public of new or used goods or products on a seasonal, limited or full schedule of operation.

Flea Market Promoter, a person who, either directly or indirectly, rents, leases or grants a license to use space to any person for the display for sale or for the sale of tangible personal property subject to tax under Massachusetts General Laws Chapter 64H.

Transient Vendor is any person, either principal or agent, which engages in temporary or transient business in the City of Taunton selling goods, wares or merchandise, either in one locality or in travelling from place to place.

(b) Annual Permit, application fee. A Flea Market Permit may be granted for the operation of a flea market after a location is properly zoned for that purpose. The permit shall be valid from January to December. The Municipal Council may, in its discretion,

refuse to issue a permit to a Flea Market Promoter if, after public hearing, it determines that the applicant has not or is no conforming with the requirements of this section and other ordinances, rules and regulations of the city and its departments. The fee for the annual permit shall be \$500.00.

- (c) Renewal. No later than 30 days prior to its expiration, the holder of a flea market permit seeking renewal of said permit shall provide information to the Municipal Council regarding the number of vendors, vendor permits, days and dates of operation and all pertinent information regarding compliance with the provisions of this section and other ordinances, rules and regulations of the city and its department.
- (d) Vendor Permits. Every vendor offering for sale items at a Flea Market is required to obtain a Transient Vendor permit from the city as outlined in Section 12-80. Any vendor operating at a flea market is required to pose their permits or licenses at the point of sale.

All ordinances or parts thereof inconsistent herewith are hereby repealed. This Ordinance shall become effective immediately upon passage.

Rose Marie Blackwell, City Clerk City of Taunton Temporary City Hall 141 Oak Street Taunton. MA 02780

Re:

Public Hearing 228 Berkley Street Taunton, MA 02780

Dear Ms. Blackwell,

I respectfully request that the continued public hearing for the 24-unit condominium development at 228 Berkley Street, Taunton, currently schedule for 7:00 P.M. on Tuesday, December 13, 2011, be furthered continued to Tuesday, February 21, 2012.

I would also request that the pre-hearing scheduled for Tuesday, December 6, 2011, be rescheduled for Tuesday, February 14, 2012.

The Planning Board has not completed their review of the project. I continue to work with them to present a much-improved project to the City Council.

Also, a "new" Council takes office in January. The public hearing may extend beyond one (1) meeting. It would seem to make sense to delay the hearing until the newly elected Council has taken office.

Any consideration you can give me in this matter would be greatly appreciated.

Respectfully submitte

License to install/store flammables

I have reviewed the site, plans, and specifications for the proposed underground storage tanks at **342 Winthrop Street** for a service station, and would make a positive recommendation with the following conditions:

- 1. Maintenance and installation shall comply with applicable requirements of 527 CMR 9.0 and NFPA 30.
- 2. Self serve review for the suppression system is required by the local fire department and the State Fire Marshal's office.
- 3. The operation and maintenance of buildings or other structures used as garages, service stations and the related storage, keeping and use of gasoline or other motor fuel must comply with all sections of 527 CMR 5.0.

Any questions please call Capt. Bastis @ (508)821-1453.
