Re: Explanation of Late Processing

Dear Mayor Crowley and Members of the Municipal Council,

Due to the relocation of the DPW Water Division from the former City Hall to the DPW Operations Center, all of our financial documents had to be moved. During the move, this bill was misplaced and not included in our encumbered list, only to be found during the reorganizing of our offices. Please accept our apology for this oversight, and we have reviewed all of our files since this incident to make sure that it does not happen again. Please contact my office with any questions, or for any additional information.

Sincerely,

Cathal O'Brien
Supervisor of Water
Taunton DPW
