

## **AGENDA – JUNE 21, 2011**

**INVOCATION  
ROLL CALL  
RECORDS**

**HEARING:**

**COMMUNICATIONS FROM THE MAYOR**

**APPOINTMENTS**

**COMMUNICATIONS FROM CITY OFFICERS**

- Pg. 1 Com. from Building Inspector/Zoning Enforcement Officer – response of fence at 272-274 Winthrop Street
- Pg. 2-7 Com. from Ass't City Solicitor – Notifying of partial release of municipal liens on the Morey's Bridge for discussion
- Pg. 8 Com. from Acting Fire Chief – Requesting to call for civil service list for 1 temporary Lieutenant
- Pg. 9 Com. from Executive Director, Board of Health – Requesting re-approval of revolving account (septic & consulting)
- Pg. 10 Com. from Executive Director, Board of Health – Requesting re-approval of revolving account (existing flu clinic/nursing)
- Pg. 11 Com. from Executive Director, Board of Health – Requesting Re-approval of revolving account (asbestos)
- Pg. 12 Com. from Hispanic Apostolate Council, St. Mary's Parish – Notifying of annual fundraising event

## PETITIONS

## COMMITTEE REPORTS

## UNFINISHED BUSINESS

- **Executive Session** – Meet to discuss the Star Theater litigation and an update on Operation Cleanup
- **Executive Session** – Meet to discuss strategy with respect to collective bargaining for all city unions, school department unions, tmlp unions, with respect to the health insurance change proposals and other impacts on employees reducing funding in fiscal year 12-A public meeting would have an adverse affect on the City’s negotiating positions.
- **Executive Session** – Meet to discuss with the City Solicitor, Planet Petroleum, pending litigation and possible litigation between the city and Planet Petroleum and potential violations of city ordinances and state laws.

## ORDERS, ORDINANCES AND ENROLLED BILLS

### *Order for a second reading to be ordained on a roll call vote*

Ordered That,

**\$400,000** be appropriated for the cost of engineering services for plans and specifications for improvements to the City’s wastewater system, consisting of the Phase 8 SSES; that to meet this appropriation, the Treasurer with the approval of the Mayor is authorized to borrow **\$400,000** and issue bonds or notes there for under Chapter 44 of the General Laws or any other enabling authority; and that the Mayor is authorized to take any other action necessary to carry out this project.

*Order for a second reading to be ordained on a roll call vote*

Ordered That,

**\$6,000,000** be appropriated for the purpose of financing the construction, reconstruction, replacement, repair, and rehabilitation of sewers, and stormwater conveyance facilities, including without limitation sewer infiltration and inflow abatement improvements and pumping station upgrades, including the Phase 8 SSES, for the purpose of eliminating unauthorized sewer connections to the City's drainage system, to eliminate combined sewer overflows and sanitary sewer overflows, to reduce infiltration and inflow within the City's sewer system, and to mitigate flooding resulting in potential surface water contamination; that included are all costs without limitation as defined in Section 1 of Chapter 29C of the Massachusetts General Laws; that to meet this appropriation the Treasurer, with the approval of the Mayor, is authorized to borrow **\$6,000,000** and issue bonds or notes there for under Chapter 44 of the General Laws and/or Chapter 29 of the General Laws; that such bonds or notes shall be general obligations of the City unless the Treasurer with the approval of the Mayor determines that they should be issued as limited obligations and may be secured by local system revenues as defined in Section 1 of Chapter 29C; that the Treasurer with the approval of the Mayor is authorized to borrow all or a portion of such amount from the Massachusetts Water Pollution Abatement Trust established pursuant to Chapter 29C and in connection therewith to enter into a loan agreement and/or a security agreement with the Trust and otherwise to contract with the Trust and the Department of Environmental Protection with respect to such loan and for any federal or state aid available for the project or for the financing thereof; that the Mayor is authorized to enter into a project regulatory agreement with the Department of Environmental Protection, to expend all funds available for the project and to take any other action necessary to carry out the project.

**FY2012 Preliminary Budget for a second reading to be ordained on a roll call vote**

Re: 272 Winthrop St. (Red House)

Dear Mayor and Councilors:

This is in response to your memo dated June 16, 2011 regarding the placement of the fence at 272-274 Winthrop Street.

As of this date, a fence has been installed between the property at 268 and 272 Winthrop St. The fence between 272 and 274 Winthrop St. remains under construction.

Furthermore, as previously stated, compliance is a the discretion of the owner of the property at 272 Winthrop St. and cannot be enforced as a requirement until such time as the variance is acted upon.

Respectfully,

Mary Jane Benker, CBO  
Building Inspector/Zoning Enforcement Officer

Municipal Council

Re: Requested partial release of municipal liens on Morey's Bridge Dam

Ladies and Gentlemen:

At the Municipal Council meeting of June 7, 2011, it was voted to postpone discussion of a partial release of municipal liens on the Morey's Bridge Dam for one month, unless it was determined that time was of the essence to the Commonwealth in terms of the Morey's Bridge construction project and also to obtain a legal opinion as to the consequences of a partial release of lien and the ability to implement it.

I attach hereto a copy of a letter to me from Assistant Attorney General Seth Schofield following my discussions with him in the aftermath of that meeting. The reason for seeking a partial release of the lien is that part of the settlement of the litigation involving the Commonwealth, the City, Jefferson Development, and David Murphy included a conveyance by Mr. Murphy of the dam to the Commonwealth. Because this is a conveyance rather than an eminent domain taking, the Commonwealth would be receiving the dam encumbered by the city's liens unless they were specifically released. Transferring the property in this manner saves considerable time and expense in expediting the bridge project and the Commonwealth wishes to avoid eminent domain for these reasons. The failure to issue a partial release may jeopardize both the judicial settlement and the construction project. He has also indicated that the Commonwealth often seeks such releases from communities in similar circumstances and that a partial release is perfectly legal. He concurs with my earlier statement to you that the partial release only releases a portion of the security for the lien and not the financial substance of the lien itself. He further adds that in his opinion, separating the dam from the Whittenton Mills will actually enhance the value of the city's security, since it will be removing a source of serious potential liability.

Attorney Schofield has attached a copy of the proposed deed to the Commonwealth to show you just what is being conceded and he and I would be working on language for the release together. Again, the Commonwealth has asked that the council vote in principle to issue the partial release as soon as possible so that the construction project may get underway in a timely fashion.

Very truly yours,

Jordan H. F. Fiore  
Assistant City Solicitor

**Subj: *Commonwealth v. Jefferson Development Partners LLC and David L. Murphy, Individually, Suffolk Superior Court, Civil Action No. 2008-04829-B – Partial Release***

Dear Assistant City Solicitor Fiore:

I understand that the Taunton Municipal Council is considering the Commonwealth's request that the City of Taunton grant a partial release for the unpaid taxes and other municipal fees that Jefferson Development Partners LLC (Jefferson Development) owes to the City. I am writing to ensure that the Council understands the limited scope of this request and the importance of obtaining a partial release quickly to prevent this issue from delaying (or even jeopardizing) reconstruction plans for Morey's Bridge and the Morey's Bridge Dam—a project that will greatly benefit the City and its citizens.

As you know, the Commonwealth filed a lawsuit against Jefferson Development and its manager, David L. Murphy, for ignoring orders directing the company to remedy the serious public safety and environmental hazards posed by Morey's Bridge Dam. Simultaneously, the Commonwealth sought and later obtained a preliminary injunction requiring Jefferson Development to remove the portion of the dam that posed the most immediate threat to public safety and property. Following completion of that work, the Commonwealth and Jefferson Development were able to reach an agreement that, when finalized, will require the company to pay a significant penalty for its violations and result in significant benefits to the public and the environment. In particular, the agreement requires Jefferson Development to convey any and all of its interest in Morey's Bridge Dam to the Commonwealth so that the State can reconstruct the aging Morey's Bridge and what remains of the dilapidated Dam. However, implementation of the project (the planning for which is well underway) cannot occur until the Commonwealth finalizes the settlement agreement with Jefferson Development and obtains the Morey's Bridge Dam property.

5,

Jordan H. F. Fiore, Asst. City Solicitor  
Re: Commw. v. Jefferson Development et al.

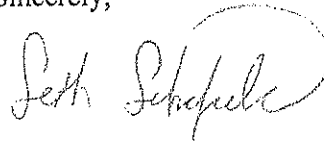

June 16, 2011  
Page 2 of 2

The issue standing in the way of the Commonwealth finalizing the settlement agreement and obtaining the Morey's Bridge Dam property is the unpaid taxes and other municipal fees on the mill property owned by Jefferson Development. Before the Commonwealth can finalize the agreement and obtain the deed conveying the Dam property to the Commonwealth, we need to obtain a partial release from the unpaid taxes and municipal fees to ensure that the State will receive clear title to the very small piece of property (square feet, not acres) that it needs to facilitate the reconstruction project. A copy of the draft deed is attached. Significantly, the partial release that we seek will *not* release Jefferson Development from its liability for any of the unpaid taxes or municipal fees. Nor will such a partial release limit the City's ability to seek recovery of those unpaid taxes and fees from the approximately 42 plus acres that will be unaffected by the partial release. In fact, the partial release and conveyance of the Morey's Bridge Dam property will likely improve the City's security by eliminating a major existing liability associated with the property, i.e., the Dam, which the City would have to contend with if it initiated foreclosure proceedings to secure payment of the unpaid taxes and fees prior to the conveyance.

The Commonwealth and its consultants are very far along in the planning and design process for the Bridge and Dam reconstruction project. Given this progress, we are anxious to obtain the partial release to ensure that the project can proceed on schedule. Because of complexities with the permitting and construction process, even minor delays now may result in substantial delays in actual implementation of the project.

Thank you for your assistance. Please contact me if you have any questions about this issue.

Sincerely,

Seth Schofield  
Assistant Attorney General  
Environmental Protection Division

### The Hispanic Apostolate Council

June 7, 2011

Sherry Costa-Hanlon  
Sherry Costa-Hanlon Attorney at Law  
Taunton City Council  
Barristers Hall  
4 Winthrop Street  
Taunton, MA 02780

Dear Sherry Costa-Hanlon,

The past 10 years have been exciting ones for The Hispanic Apostolate Council at St. Mary's Parish in Taunton, Massachusetts. Our council serves our parish as a bridge to the Hispanic community in Taunton and to respond to the needs of our community. During the last 10 years our Hispanic community has grown exponentially in Southeastern Massachusetts and across our state. We have doubled the number of volunteers who work with us each year, tripled our annual operating budget and quadrupled the number of citizens we service in our community. None of this would have been possible without your involvement.

With your continued support we will be able to do even more. We need your support to continue our pastoral efforts by helping families/individuals and newcomers with limited financial resources.

That is why I am writing to you today. We need your support with our upcoming **Annual Fundraising Event Saint John the Baptist Feast** that will be held on **Sunday, June 26, 2011 from 1:00 p.m. to 5:00 p.m. at The Dolan Center, 78 Broadway in Taunton.** We'd appreciate a contribution of \$50. Please send your contribution in the enclosed stamped return envelope by **June 17 2010.** As always, your contribution will be tax deductible.

Your generous donation or contribution will be publicly acknowledged at our event through promotional announcements and fliers, a logo and prominent note in our program. As always, your donation will further the good work being done in our community and assist us in our continued efforts throughout our community.

To learn more about our group or our event, please contact Fr. Marc Fallon, C.S.C. at 508-997-7337, or I at 774-240-3247.

I look forward to hearing from you soon.

Sincerely,  
*María Rodríguez*
