Re: David Murphy/Whittenton Mills/Morey's Bridge Dam

Ladies and Gentlemen:

The office has received several calls from Attorney Seth Schofield of the Massachusetts Attorney General's Office. He informs me that in order for the Commonwealth to proceed with the construction on the bridge and the removal of the dam, it is necessary for the city to grant a partial release of the considerable tax and other municipal liens against the owner of the dam only as they relate to the dam, so that the Commonwealth gets a clear title in order to be able to deal with the removal or reconstruction of the dam.

I have informed him that this has been a serious bone of contention between the council and the property owner for many years, but that I would recommend that the council grant this limited partial release in order for the project to go forward. I am also forwarding a copy of this correspondence to the Taunton Municipal Lighting Plant Commission to address any liens which they may have against the property.

I thank you for your kind attention to this matter.

Very truly yours,

Jordan H. F. Fiore

AN ACT AUTHORIZING CITIES AND TOWNS TO ESTABLISH CERTAIN REVOLVING FUNDS.

*Handwritten:*  
3-16-91

Whereas, The deferred operation of this act would tend to defeat its purpose, which is to immediately provide for revolving funds in cities and towns, therefore it is hereby declared to be an emergency law, necessary for the immediate preservation of the public convenience.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:-

SECTION 1. Chapter 44 of the General Laws is hereby amended by inserting after section 52E, as appearing in the 1988 Official Edition, the following section:-

*repeals*  
*etc*

Section 52E]. Notwithstanding the provisions of section fifty-three, a city or town may annually authorize the use of one or more revolving funds by one or more municipal agency, board, department or office which shall be accounted for separately from all other monies in such city or town and to which shall be credited only the departmental receipts received in connection with the programs supported by such revolving fund. Expenditures may be made from such revolving fund without further appropriation, subject to the provisions of this section; provided, however, that expenditures shall not be made or liabilities incurred from any such revolving fund in excess of the balance of the fund nor in excess of the total authorized expenditures from such fund, nor shall any expenditures be made unless approved in accordance with sections forty-one, forty-two, fifty-two and fifty-six of chapter forty-one.

Interest earned on any revolving fund balance shall be treated as general fund revenue of the city or town. No revolving fund may be established pursuant to this section for receipts of a municipal water or sewer department or of a municipal hospital. No such revolving fund may be established if the aggregate limit of all revolving funds authorized under this section exceeds ten percent of the amount raised by taxation by the city or town in the most recent fiscal year for which a tax rate has been certified under section

twenty-three of chapter fifty-nine. No revolving fund expenditures shall be made for the purpose of paying any wages or salaries (or full time employees.

A revolving fund established under the provisions of this section shall be by vote of the annual town meeting in a town, upon recommendation of the board of selectmen, and by vote of the city council in a city, upon recommendation of the mayor or city manager, in Plan E cities, and in any other city or town by vote of the legislative body upon the recommendation of the chief administrative or executive officer. Such authorization shall be made annually prior to each respective fiscal year; provided, however, that each authorization for a revolving fund shall specify: (1) the programs and purposes for which the revolving fund may be expended; (2) the departmental receipts which shall be credited to the revolving fund; (3) the board, department or officer authorized to expend from such fund; (4) a limit on the total amount which may be expended from such fund in the ensuing fiscal year; and, provided, further, that no board, department or officer shall be authorized to expend in any one fiscal year from all revolving funds under its direct control more than one percent of the amount raised by taxation by the city or town in the most recent fiscal year for which a tax rate has been certified under section twenty-three of chapter fifty-nine.

In any fiscal year the limit on the amount that may be spent from a revolving fund may be increased with the approval of the city council and mayor in a city, or with the approval of the selectmen and finance committee, if any, in a town; provided, however, that the one percent limit established by clause (4) of the third paragraph is not exceeded.

The board, department or officer having charge of such revolving fund shall report to the annual town meeting or to the city council and the board of selectmen, the mayor of a city or city manager in a Plan E city or in any other city or town to the legislative body and the chief administrative or executive officer, the total amount of receipts and expenditures for each revolving fund under its control for the prior fiscal year and for the current fiscal year through December thirty-first, or such later date as the town meeting or city council may, by vote determine, and the amount of any increases in spending authority granted during the prior and current fiscal years, together with such other information as the town meeting or city council may by vote require.

E 5987

At the close of a fiscal year in which a revolving fund is not reauthorized for the following year, or in which a city or town changes the purposes for which money in a revolving fund may be spent in the following year, the balance in the fund at the end of the fiscal year shall revert to surplus revenue unless the annual town meeting or the city council and mayor or city manager in a Plan E city and in any other city or town the legislative body vote to transfer such balance to another revolving fund established under this section.

The director of accounts may issue guidelines further regulating revolving funds established under this section.

SECTION 2. For the purposes of establishing a revolving fund under the provisions of this act during fiscal year nineteen hundred and ninety-one, a town by majority vote of a special town meeting in a town, upon recommendation of the board of selectmen, or by vote of the city council in a city, upon recommendation of the mayor or city manager, in a Plan E city, and in any other city or town by vote of the legislative body, upon recommendation of the chief administrative or executive officer, may authorize the use of a revolving fund during said fiscal year; provided, however, that prior to such vote the finance committee in a town and the auditor or chief financial officer in a city designated by special law, General Law or ordinance, certifies to the assessors that the estimated revenue of the proposed revolving fund has not been used as a local estimated receipt, offset receipt, enterprise revenue or otherwise within the city or town's fiscal nineteen hundred and ninety-one appropriations.

## Veterans Service Department And Information Center

June 2, 2011

Honorable Mayor Charles Crowley and the  
Municipal Council

Dear Sirs & Madams:

Once again, it is necessary for this office to request additional funding in our Veterans Benefits Account #1-543-202-5770 in the amount of \$15,000.00.

When our request in February was submitted, we were averaging \$75,000.00 in benefits paid monthly. Since then, we have had several months that we have spent well over \$80,000.00 and one month close to \$90,000.00.

It is impossible to know exactly what we will need monthly.

The State will reimburse the City of Taunton at a rate of 75%, giving a total for this request \$3750.00.

Thank you for anticipated cooperation in this matter.

Respectfully submitted,

Armand Provencal  
Director Agent

Dear Mayor Crowley:

Please find the attached recommendation from the Safety Officer for a change of the parking ordinance relative to Whittenton Street prohibited parking. At a recent Crime Watch Meeting we received complaints concerning parking between Smith Street and Washington Street on Whittenton Street. A review of this particular section of the ordinance shows it to be outdated and ambiguous.

I look forward to any questions that you may have on this issue. If I can be of any further assistance, feel free to contact me at 508-821-1471 x120.

Sincerely,

Dear Mr. Mayor, Members of the Taunton City Council:

On Saturday, June 11, 2011, following our 4:00 PM Mass, St Andrew the Apostle Parish is sponsoring a Family Walk for Catholic Charities. The walk is approximately 4 miles in length and will leave the St Andrew's parking lot and proceed to the new section of the St Francis Cemetery on North Walker Street, returning to the Church. A map of our proposed route is attached for your review. We're asking each family participating in the walk to pledge at least \$25.00 with all proceeds being forwarded to the Diocese of Fall River's 2011 Catholic Charities Appeal.

With your approval, we're hoping this will become an annual celebratory event for our families as we come together to have some fun and help support the less fortunate in our community through the wonderful programs funded by Catholic Charities.

Thank-you for your time and support,

  
Deacon Alan Thadeu

# Join us for the First Ever St. Andrew the Apostle Family Walk for Catholic Charities

Following the 4 PM Mass on Saturday, June 11, 2011, we'll be gathering together as a parish family to walk to raise money for this year's Catholic Charities Appeal and we're inviting your family to join in all the fun.

Following the walk, we'll all celebrate our accomplishment with a cookout back at the church.

The walk will be approximately 4 miles long and we're asking each participating family to raise at least \$25.00. Remember, all proceeds go to Catholic Charities, so the more money you raise, the more people we will be able to help. A special prize will be awarded to the family that raises the most money. So ask all your friends and extended family to sponsor every mile you walk!

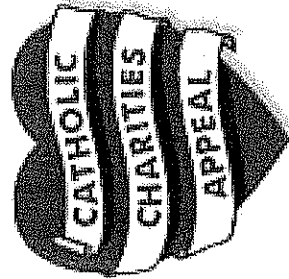

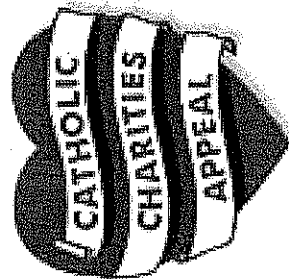

Complete this registration form and turn it into the parish office by June 5th. All pledges will need to be paid on the day of the walk.

Dear Mayor Crowley

I regret to inform you that my new employment will prevent me from attending any meetings or functions on Thursday evenings for quite some time. For that reason, I must resign from Taunton's Historic District Commission, effective immediately.

It has been a great pleasure and honor serving Taunton in this way. My time on the commission has been very informative and I truly wish that it could continue. I like to think that at some future date, I might be able to return to the service of the city in one way or another.

I have great respect for Chairman deMello and the entire commission. Please pass on my best wishes to them regarding their future discussions and decisions. They do important work and are some of the unsung heroes of Taunton. They deserve to have people on their commission that can attend regularly, so that their work will not be delayed.

Sincerely,

Kevin Nunes

Taunton, MA 02780

Dear Mayor Crowley,

Please accept this letter as my notice of resignation. Due to new circumstances, I will be unable to attend monthly meetings for the Taunton Historic District Commission. I will continue my duties following the monthly meeting on Thursday, June 2, 2011, until a replacement can be found. However, I will not be able to attend the July 7, 2011 meeting, or any meeting from then on. My last working day will be as soon as a new replacement is found, or July 1, 2011, which ever comes first.

I have enjoyed working for the Taunton Historic District Commission and appreciate all that I have learned. I hope that in the future, I would be able to return as an employee for the City of Taunton. If I can be of any assistance between now and my last date of employment, please do not hesitate to ask.

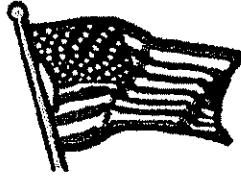

Thank you again for this wonderful opportunity.

Sincerely,

Emily Dematos
