Honorable Mayor Charles Crowley and
Members of the Municipal Council
City Hall

Dear Councilors:

The attached documents represent several amendments that the Building Department would like to make to existing FY10 permit fees for FY11 in order to make the fees more "user friendly". There are some redundancies that should be removed, a few fees should be implemented, and a few should be increased slightly in order to keep pace with the calculation method used in past years. The first series of documents indicate a comparison of the fee ordinance from FY10 to FY11 and the "DRAFT COPY" documents indicate the appearance of the proposed ordinance after the amendments have been executed. Robert Pirozzi, Building Commissioner, and I would be happy to appear before the Municipal Council, if necessary in order to clarify any questions or concerns that the council may have regarding this issue. Thank you.

Respectfully,

Wayne E. Walkden

Dear Mayor Crowley and Members of Council:

My recent promotion to Chief has created a vacancy for a permanent Police Captain within the department. We currently have an Acting Captain in place and I would request that the Council move to permanently fill this vacancy. Additionally, we still have a vacancy for one Sergeant that has remained unfilled and I would like the Council at some point to consider filling this as well.

If I can be of any further assistance in this matter, please feel free to contact me.

Respectfully,

Edward James Walsh

Honorable Councilors

Dear Madame President and City Councilors:

We the undersigned residents of Homestead Crossing would like to request that a Dead End sign be placed at the beginning of our street, since it is a cul-de-sac.

The reason for our request is that we have several very young children who play outside, and on several occasions we have had cars drive on the street at a high rate of speed. If one of our children was playing outside, he may have been hit, or possibly killed.

Additionally, a car was driven onto a lawn by an operator who does not live in the neighborhood. This resulted in personal property damage.

We respectfully request the sign be put up for the safety of our children and the community.

Sincerely,
Homestead Crossing Residents
