Dear Mayor Crowley and Members of the Municipal Council:

I respectfully request to pay a prior year bill in the amount of \$142.50 for Ikon Office Solutions.

When I originally received the invoice, I questioned whether we were responsible for this invoice because the city had signed a lease on a new copier with the same company.

Due to the fire at City Hall and some paperwork being missing, it took a while to get this invoice straightened out. At this time, I have confirmed that we do owe Ikon this money.

Thank you for your attention to this matter.

Respectfully,
