Council President Quinn and Members of the Municipal Council
141 Oak St.
Taunton, MA 02780

Dear Mayor Hoye, Council President Quinn and Councilors:

After many months of preparations, the new City of Taunton Ordinance Book is finally ready to be re-codified. I recommend that this matter be referred to the Committee on Ordinances and Enrolled Bills and the City Solicitor.

This new code book now includes our City of Taunton Zoning Ordinances unlike past ordinance books. Therefore, it is also necessary to refer to the Planning Board to complete the zoning change process. Once that process is complete, the City of Taunton Ordinance Book will come back before the Municipal Council for a hearing.

I would also request to refer to the Committee of the Whole to schedule a meeting with General Code for a presentation of the new City of Taunton Ordinance Book.

Respectfully,

Rose Marie Blackwell
City Clerk

AN ORDINANCE TO REVISE AND CONSOLIDATE, AMEND, SUPPLEMENT AND CODIFY THE GENERAL ORDINANCES OF THE CITY OF TAUNTON

The Municipal Council of the City of Taunton does hereby ordain as follows:

§ 1-7. Adoption of Code.

The ordinances of the City of Taunton of a general and permanent nature adopted by the Municipal Council of the City of Taunton, as revised, codified and consolidated into chapters and sections by General Code, and consisting of Chapters 1 through 440, together with an Appendix, are hereby approved, adopted, ordained and enacted as the "Code of the City of Taunton," hereinafter referred to as the "Code."

§ 1-8. Code superseded prior ordinances.

This ordinance and the Code shall supersede all other general and permanent ordinances enacted prior to the enactment of this Code, except such ordinances as are hereinafter expressly saved from repeal or continued in force.

§ 1-9. Continuation of existing provisions.

The provisions of the Code, insofar as they are substantively the same as those of the ordinances in force immediately prior to the enactment of the Code by this ordinance, are intended as a continuation of such ordinances and not as new enactments, and the effectiveness of such provisions shall date from the date of adoption of the prior ordinances.

§ 1-10. Copy of Code on file.

A copy of the Code has been filed in the office of the City Clerk and shall remain there for use and examination by the public until final action is taken on this ordinance, and, if this ordinance shall be adopted, such copy shall be certified to by the City Clerk, and such certified copy shall remain on file in the office of said City Clerk to be made available to persons desiring to examine the same during all times while said Code is in effect.

§ 1-11. Amendments to Code.

Any and all additions, deletions, amendments or supplements to the Code, when adopted in such form as to indicate the intention of the Council to make them a part thereof, shall be deemed to be incorporated into such Code so that reference to the "Code of the City of Taunton" shall be understood and intended to include such additions, deletions, amendments or supplements. Whenever such additions, deletions, amendments or supplements to the Code shall be adopted, they shall thereafter be inserted in the Code as amendments and supplements thereto.

§ 1-12. Publication; filing.

The Clerk of the City of Taunton shall cause this ordinance to be published in the manner required by law. Sufficient copies of the Code shall be maintained in the office of the Clerk for inspection by the public at all times during regular office hours. The enactment and publication of this ordinance, coupled with the availability of a copy of the Code for inspection by the public, shall be deemed, held and considered to be due and legal publication of all provisions of the Code for all purposes.

§ 1-13. Code to be kept up-to-date.

It shall be the duty of the City Clerk, or someone authorized and directed by the Clerk, to keep up-to-date the certified copy of the Code required to be filed in the Clerk's office for use by the public. All changes in said Code and all ordinances adopted subsequent to the effective date of this codification which shall be adopted specifically as part of the Code shall, when finally adopted, be included therein by reference until such changes or new ordinances are included as supplements to said Code.

§ 1-14. Sale of Code.

Copies of the Code, or any chapter or portion of it, may be purchased from the Clerk or an authorized agent of the Clerk upon the payment of a fee to be set by the Municipal Council. The Clerk may also arrange for procedures for the periodic supplementation of the Code.

§ 1-15. Altering or tampering with Code; penalties for violation.

It shall be unlawful for anyone to improperly change or amend, by additions or deletions, any part or portion of the Code or to alter or tamper with such Code in any manner whatsoever which will cause the law of the City of Taunton to be misrepresented thereby. Anyone violating this section or any part of this ordinance shall be subject, upon conviction, to the penalties as set forth in § 1-5 of the Code.

§ 1-16. Severability of Code provisions.

Each section of the Code and every part of each section is an independent section or part of a section, and the holding of any section or a part thereof to be unconstitutional, void or ineffective for any cause shall not be deemed to affect the validity or constitutionality of any other sections or parts thereof. If any provision of this Code or the application thereof to any person or circumstances is held invalid, the remainder of this Code and the application of such provision to other persons or circumstances shall not be affected thereby.

§ 1-17. Severability of ordinance provisions.

Each section of this ordinance is an independent section, and the holding of any section or part thereof to be unconstitutional, void or ineffective for any cause shall not be deemed to affect the validity or constitutionality of any other sections or parts thereof.

§ 1-18. Repealer.

All ordinances or parts of ordinances inconsistent with the provisions contained in the Code adopted by this

ordinance are hereby repealed; provided, however, that such repeal shall only be to the extent of such inconsistency, and any valid legislation of the City of Taunton which is not in conflict with the provisions of the Code shall be deemed to remain in full force and effect. Section 2-56, Automation office manager, of the 2010 Revised Ordinances is specifically repealed.

§ 1-19. Ordinances saved from repeal.

RE: Proposed Memorandum of Understanding – Payment of Certain Costs by Mashpee Wampanoag Tribe in Conjunction with Traffic Improvements at Stevens Street, Pinehill Street, Middleboro Avenue, Liberty Street, Hart Street, Poole Street, County Street

Dear Mayor Hoye and Members of the Municipal Council:

Attached for your consideration is a proposed Memorandum of Understanding concerning the payment by the Tribe of certain future costs associated with acquiring the land necessary for traffic improvements. The project has been progressing significantly, and the Tribe has been paying all of the ongoing design and engineering costs.

In the near future, the City will direct its chosen appraiser, Mr. Claude Giroux, to begin the appraisal process for the temporary and permanent land acquisitions that the City is obligated to acquire for this project to go forward. It is presently expected that, at some point in time, an Order of Taking will be presented to the Municipal Council for approval. This will involve providing compensation to landowners. Given that eminent domain powers will be exercised, this may also involve the possibility of legal action by landowners to challenge the amount of compensation awarded.

This MOU sets forth mechanisms to clearly provide that the proponent of Project First Light shall be responsible for all of the aforementioned costs, including the costs associated with defending future litigation associated with land acquisitions. The agreement has already been accepted and signed by the Tribe, and I respectfully request that you approve the agreement and authorize the Mayor to sign on behalf of the City. Thank you.

Very truly yours,

Jason D. Buffington, Esq.
City Solicitor

Enclosure

**MEMORANDUM OF UNDERSTANDING
BY AND BETWEEN
THE MASHPEE WAMPANOAG TRIBAL GAMING AUTHORITY
AND
THE CITY OF TAUNTON, MASSACHUSETTS**

This Memorandum of Understanding ("MOU") is made and entered into as of the 16th day of March, 2016, by and between the Mashpee Wampanoag Tribal Gaming Authority (the "Authority"), whose address is 483 Great Neck Road South, Mashpee, Massachusetts 02649, and the City of Taunton, Massachusetts (the "City"), whose address is 141 Oak Street, Taunton, Massachusetts 02780.

RECITALS

1. The City and the Mashpee Wampanoag Tribe (the "Tribe") entered into that certain Intergovernmental Agreement as of May 17, 2012 (the "IGA") which was duly approved by their respective legislative bodies.
2. Pursuant to Section 20.B. of the IGA, the Tribe has assigned the IGA to the Authority which will own and operate all of the assets related to the Project as that term is defined in the IGA.
3. The IGA, as amended, is in full force and effect.
4. Pursuant to Section 7 of the IGA, the Authority (as assignee of the Tribe) agreed to be responsible for the payment of all costs of improvements to the City's infrastructure including, but not limited to, road construction, bridges, road maintenance and traffic signals necessitated by its Project as more fully described in the IGA. The purpose of such traffic improvements is to benefit the public by mitigating certain adverse traffic impacts that may be caused by the Project.
5. The IGA requires that the timing, amount, implementation and cost of the traffic improvements are to be negotiated in good faith by the City and the Authority (as assignee of the Tribe).
6. In order to implement certain of the traffic improvements as described in Exhibit C to the IGA it is necessary to acquire certain temporary and permanent rights of way as identified in a memorandum from Mr. James Turnbull of the engineering and planning firm of Howard Stein Hudson dated February 26, 2016 and addressed to the City, a copy of which is attached hereto as Schedule A (the "Affected Property"). Accordingly, to accomplish such traffic improvements, the City desires to exercise its eminent domain authority pursuant to M.G.L. ch. 79 with respect to the Affected Property.
7. The design plan process for this location has reached a point where the City and Authority have found it advantageous to negotiate the specific terms concerning the Authority's obligation to pay the costs expected to be incurred in connection with the City's exercise of its eminent domain authority over the Affected Property.

- 8. This MOU is intended to implement the provisions of the IGA by setting forth the understanding of the City and Authority with respect to the City's exercise of its eminent domain authority over the Affected Property.

RESPONSIBILITIES OF THE PARTIES

The responsibilities of the parties are described in the following provisions. The parties acknowledge that such provisions memorialize the parties understanding with respect to certain aspects of the traffic improvements negotiated in accordance with, and as an integral part of, the terms and conditions of the IGA.

- 1. The City is responsible to exercise its eminent domain authority to acquire the Affected Property being appraised by Claude A. Giroux (the "Giroux Appraisal"), as the same may be modified from time to time in connection with the design process for certain traffic improvements identified in the IGA.
- 2. The City's responsibility for exercising its eminent domain authority is subject to the approval of an order of taking by the City's Municipal Council in accordance with applicable law. The City shall give the Authority twenty (20) days' written notice of the (i) date that the Municipal Council shall first consider any such order of taking; and (ii) estimated amount of funds needed to compensate all of the owners of the Affected Property to be covered by such order (the "Estimated Funds"). The Authority understands and acknowledges that it must deposit the amount of the Estimated Funds with the City at least five (5) days prior to the date upon which the Municipal Council is scheduled to consider an order of taking of the Affected Property. In the event that the Municipal Council does not approve the order of taking for all or any portion of the Affected Property by the date scheduled for consideration of such order, the City, upon written notice received from the Authority, shall return to the Authority that portion of the Estimated Funds that corresponds to the compensation for the Affected Property for which no order of taking was approved.
- 3. Prior to the City seeking authorization from the Municipal Council to take the Affected Property, the City must first comply with all preliminary requirements under law, including obtaining the Giroux Appraisal, a review appraisal, surveys and title work. The City has obtained a fixed fee quote for the Giroux Appraisal and a fixed fee quote by the review appraisal from Mr. Bernard Giroux (the "Review Appraisal"), which fees have been approved by the Authority. The City agrees to obtain and furnish to the Authority for its approval fixed fee quotes for the survey and title work. The Authority understands and acknowledges that the cost of such items, together with all related professional fees, are costs directly related to the cost of traffic improvements, the payment of which is the responsibility of the Authority (as assignee of the Tribe) under the IGA. Contemporaneously with the execution of this MOU, the City and the Authority shall execute the escrow instructions in the form attached hereto as Schedule B providing for the deposit by the Authority of any additional appraisal fees agreed to by the City and the Authority to cover the cost of the Giroux Appraisal and the Review Appraisal.
- 4. In connection with obtaining an order of taking for any portion of the Affected Property, the City may choose to negotiate the amount of damages with the applicable land owner.

10.

If the City chooses to negotiate with a landowner prior to litigation, it will keep the Authority fully informed as to the status and any estimated counsel or other related fees and expenses and will obtain the Authority's written approval prior to agreeing to any proposed negotiated amount, which approval shall not be unreasonably withheld. In the event any owner of Affected Property files a claim or action of any kind against the City in connection with a taking of that owner's Affected Property, the Authority understands and acknowledges that any costs, attorney's fees, damages or any other amounts incurred by the City as a result thereof shall constitute a "Claim" as that term is defined in the IGA, entitling the City to the benefit of full indemnification under the IGA.

IN WITNESS WHEREOF, this MOU has been executed by each of the undersigned as of the date first set forth above:

Mayor Thomas C. Hoyer and Members of the Taunton Municipal Council:

We have joined forces to begin a fundraising campaign for the purpose of replacing the windows and roof at the Taunton Boys & Girls Club on Court Street. This endeavor is of utmost importance and urgency. The building, in its current condition, is costing the Club an enormous amount of money and draining resources. We are sure you will agree with us, that this money and these resources would be much better used for the many programs provided to the young members of the Club.

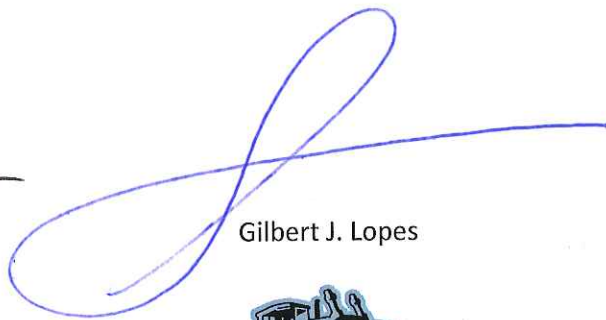

The Taunton Boys & Girls Club provides children and teens from the Greater Taunton Area with a safe place to go, where they receive a sense of hope, belonging and purpose. Many of these members, are considered to be at risk. However, through the Club, they learn skills that they need to overcome life's challenges and develop a better understanding of the importance of giving back to the community.

Past donations have changed the lives of so many young people. By working together, we are confident that we can raise the funds needed to complete these projects and allow the Club to continue to give the young members the gift of a great future. We are asking you to proclaim your support for our endeavor to help the young people in our community. Your support will demonstrate a level of commitment from the City of Taunton. That commitment will go a long way, as we ask members of our community to financially support this tremendous cause.

Respectfully,

Daniel G. DaRosa
