RE: Site Plan Review - Charles F. Colton Road - Lot 3A (Assessor's Map 19-Lot48)

Dear Mayor Hoye and Members of the Municipal Council:

Please be advised the Taunton Planning Board received a Site Plan Review for property on Charles F. Colton Road - Lot 3A (Assessor's Map 19-Lot48) for a 7,000 sq. ft. service building to be used as a canine training facility with 24 off-street parking spaces, on-site stormwater management systems and public utility connection, submitted by Martinetti Companies, owned by Taunton Development/MassDevelopment Corp.

The Development Impact Review Board (DIRB) will review this on Tuesday, August 25, 2015 at 9:30 AM in the Taunton Planning Board Office, Annex Bldg., 15 Summer St., Taunton, Ma. and the Taunton Planning Board will hold a public meeting on this proposal on **Thursday, September 3, 2015 at 5:30 PM** in the Chester R Martin Municipal Council Chambers, 141 Oak St., Taunton, Ma.

Respectfully yours,

Robert P. Campbell, Chairman
Taunton Planning Board

Dear Taunton City Council,

Thank you for your letter in support of a Drug Court in Taunton. The opioid crisis has taken its toll on way too many people in Massachusetts and beyond. I can assure you that the Trial Court takes this crisis seriously and plans to open new drug court sessions in as many communities as possible where there is a need. Taunton clearly has a need.

At this point with support from the legislature, our FY2016 budget will allow for expansion of Specialty Courts. Please know that Taunton tops the expansion list.

Sincerely,

Paula M. Carey
Chief Justice of the Trial Court

Re: Bike to the Beach for autism: Event Notification - 60 Cyclists

Bike to the Beach for autism is a supported charity cycling event that will be using some of the roads in the Taunton on September 4, 2015. The purpose of our charity event is to raise awareness and support for autism and the efforts of our primary ride partner, Autism Speaks.

Cyclists taking part in the event will be assisted in many ways before and during the day of the ride. Leading up to the event, Bike to the Beach provides a training plan, equipment recommendations, and a community of supporters to properly prepare cyclists for the event. Bike to the Beach plans a route that is on preferred cycling roads and commuter routes. While the ride will not include road closures, Bike to the Beach purposefully selects the cycling route that avoids traffic congestion and follows bike safe roads where possible. All cyclists are expected to obey all rules of the road. All riders are given a cue sheet, and the route is marked with signs to ensure that riders stay on the preferred course.

Bike to the Beach hosts rest stops every 10-15 miles where riders are given water and food to replenish their hydration and caloric losses from the ride. Along the route, we have 5-10 chase vehicles with food and water, bike pumps and tubes, and medical supplies to assist the cyclists whenever necessary. Area bike mechanics follow along in vans to assist with any major bicycle mechanical failures. The tail end of the cycling group is followed by a van that will pick up any cyclist that feels they cannot finish the event or that is falling behind our scheduled progress for the day. These precautions are taken to ensure a safe and enjoyable ride.

We do not foresee needing Police, Fire, or Emergency Medical Services. However, because safety is our number one priority and we need to prepare for the unforeseen, we want to inform you that our event will be passing through Taunton on September 4, 2015 beginning at approximately . We expect all of our riders to pass through Taunton ~~Taunton~~ in no more than two hours.

We have attached our route through Taunton, and an event Notification and Approval that we would like for you to complete and return to us via fax or mail. We have also attached an approval from one of our past events, for your records.

Please contact us with any questions that you may have. You can reach Bike to the Beach by email at Info@BiketothBeach.org or by phone at 202.642.2209
