RE: Land Court Harrington and Matto Co
Parcel # 34-53 – Colony Lane

Dear Mayor Hoye and Councilors;

I have received the attached notice indicating the Land Court entered a foreclosure decree on a tax title parcel assessed to **Harrington and Matto Co** for property located at Colony Lane. The City of Taunton is now the owner of the property and should make every effort to insure and secure the premises, as all responsibility and liability for this property now rests with the City of Taunton.

Once we receive the recorded judgment decree I will transfer the parcels to the Tax Possession Custodian.

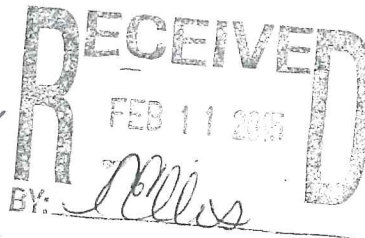

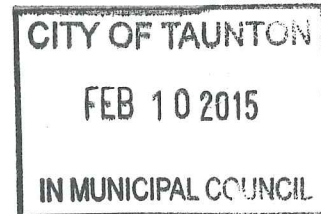

If you have any questions or concerns regarding this property, please contact this Office.

Sincerely,

Barbara A Auger, CMMT

RE: Deferred Compensation Plan

Dear Mayor Hoyer and Municipal Councilors;

I am pleased to announce the conversion from the City of Taunton Deferred Compensation Plan to the Massachusetts Deferred Compensation SMART Plan was completed as of January 28, 2015.

This transition was announced to current members by two direct mailings to employee's homes. The mailings included information on the timeline for the transition, the blackout period (January 21-28, 2015), and the fund conversion chart (document attached). Existing members also received a personal identification number to set up an online account with the SMART Plan.

Representatives from the SMART Plan have scheduled meetings for employees at many of the City and School building locations, which have been ongoing since December 10, 2014, with several more meetings planned. These meetings are intended to answer questions regarding the transition, review individual employee accounts, and demonstrate the the online capabilities for maintaining accounts. In addition, I am very pleased that the meetings have increased interest and resulted in several new enrollments, which we are hopeful will continue. Beyond the initial implementation, the SMART Plan will continue to hold regular meetings to assist our employees with retirement planning or any other needs that may arise.

Any employee of the City wishing to learn more about the plan is encouraged to attend one of the upcoming meetings (sample flyer attached) which are scheduled at the below locations:

2/23 Library and Police

3/3 DPW

3/18 Counsel on Aging

Thank you for this opportunity to share this news!

Respectfully submitted,

Re: Site Plan Review – Martignetti Corp. – Warehouse Distribution Center -

Dear Mayor Hoye and Members of the Municipal Council:

Please be advised the Taunton Planning Board received a Site Plan Review for the construction of a 727,785 square foot warehouse distribution facility on a site containing 117.20 acres on Pioneer Way, Charles Colton Rd., and Dever Drive, submitted by Martignetti Corporation.

The DIRB will meet on this on **Tuesday, February 24, 2015 at 9:30 AM** in the Taunton Planning Board Office, 15 Summer St., Annex Bldg., and then the Planning Board will meet on this proposal on **Thursday, March 5, 2015 at 5:30 PM** at Chester R Martin Municipal Council Chambers, 141 Oak St., Taunton, Ma.

Respectfully yours,

Robert P. Campbell, Chairman

Academic excellence for every student, in every classroom, in every school.

February 20, 2015

Dear Mayor Hoye and City Councilors:

The Massachusetts School Building Authority (MSBA) offers two types of grant programs: (1) CORE School Facilities Program – the MSBA’s general program designed to identify school building needs and create educationally appropriate, sustainable learning environments; and (2) the Accelerated Repair Program – an additional funding source for school building improvements including: boilers, roofs, and windows. School districts must submit Statements of Interest (SOIs) in order to be considered. The closing date for Accelerated Repair SOIs was February 13, 2015 (voting deadline extended to February 27, 2015) and the Core Program closing date is April 10, 2015.

The MSBA requires a “vote verification” for both programs, with approval of the Taunton School Committee and the Taunton Municipal Council (see attachment). After consultation with Building Superintendent Wayne Walkden, we respectfully request that you approve the following schools for possible entry into the Accelerated Repair Program:

1. Edmund H. Bennett Elementary School
2. Joseph C. Chamberlain Elementary School
3. East Taunton Elementary School
4. Harold H. Galligan Elementary School
5. Hopewell Elementary School
6. Edward F. Leddy School
7. Joseph H. Martin Middle School
8. Taunton Alternative High School

In recent years, the MSBA allows the submission of only one priority school. For the past two years, we have identified the James L. Mulcahey Elementary School as our top priority. This year we were fortunate to be selected to study the feasibility of a new or renovated James L. Mulcahey Elementary School. While there is a great deal of work to do to achieve grant approval from the MSBA, being asked to participate in a feasibility study holds promise for the future.

Thank you in advance for your consideration of this request. Please feel free to contact me should you have any questions or concerns.

Sincerely,

Julie Hackett

Re: Bike to the Beach for autism: Event Notification

Rose,

Bike to the Beach for autism is a supported charity cycling event that will be using some of the roads in the Taunton on September 4, 2015. The purpose of our charity event is to raise awareness and support for autism and the efforts of our primary ride partner, Autism Speaks.

Cyclists taking part in the event will be assisted in many ways before and during the day of the ride. Leading up to the event, Bike to the Beach provides a training plan, equipment recommendations, and a community of supporters to properly prepare cyclists for the event. Bike to the Beach plans a route that is on preferred cycling roads and commuter routes. While the ride will not include road closures, Bike to the Beach purposefully selects the cycling route that avoids traffic congestion and follows bike safe roads where possible. All cyclists are expected to obey all rules of the road. All riders are given a cue sheet, and the route is marked with signs to ensure that riders stay on the preferred course.

Bike to the Beach hosts rest stops every 10-15 miles where riders are given water and food to replenish their hydration and caloric losses from the ride. Along the route, we have 5-10 chase vehicles with food and water, bike pumps and tubes, and medical supplies to assist the cyclists whenever necessary. Area bike mechanics follow along in vans to assist with any major bicycle mechanical failures. The tail end of the cycling group is followed by a van that will pick up any cyclist that feels they cannot finish the event or that is falling behind our scheduled progress for the day. These precautions are taken to ensure a safe and enjoyable ride.

We do not foresee needing Police, Fire, or Emergency Medical Services. However, because safety is our number one priority and we need to prepare for the unforeseen, we want to inform you that our event will be passing through Taunton on September 4, 2015 beginning at approximately Town Clerk. We expect all of our riders to pass through Taunton Taunton in no more than two hours.

We have attached our route through Taunton, and an event Notification and Approval that we would like for you to complete and return to us via fax or mail. We have also attached an approval from one of our past events, for your records.

Please contact us with any questions that you may have. You can reach Bike to the Beach by email at Info@BiketothBeach.org or by phone at 202.642.2209

Sincerely,

A handwritten signature in black ink that reads "Robby Walsh" followed by a small mark that looks like "iv".
