July 16<sup>th</sup> 2014

Dear Mayor Hoye and the Taunton Municipal Council;

I received a copy of the letter you received on June 23, 2014 from Dr Eric J. Ruby in reference to litter between the properties at 21 and 35 Spring St.

The matter was brought to my attention on June 30<sup>th</sup>, 2014 and I went to see the problem on that date. I observed a large number of cigarette butts and some scattered trash.

I swept the area in question and picked up the litter and called Dr. Ruby who appreciated our efforts.

While I was there I noticed many employees from 21 Spring St taking a "cigarette break" and using a can that was provided for them.

Respectfully,

  
Paul Allison

**Re: Prior Year Invoice**

Dear Mayor Hoye & Members of the Municipal Council:

I am writing this letter to request permission to pay a prior year bill from HUB International in the amount of \$4,248.00. This invoice represents charges for the new vehicles that were added to the policy and an upgrade in coverage for our fire trucks and DPW trucks. Please be advised that the insurance company recently changed their billing policy to issue invoices at year-end rather than at the time of the endorsement. Therefore, I was unaware that this invoice until just recently.

Thank you for your attention to this matter.

Yours truly,

  
Susan K. Barber  
Risk Manager
