Re: Chateau Estates – 103 Hart Street

Dear Mayor and Councilors:

This is to inform you that this office is in receipt of two applications for building permits for the above referenced address. One is to demolish the fire damaged structure and the other to construct a new 24 unit apartment building.

The demolition permit has been delayed pending completion of asbestos abatement. We expect to have Department of Environmental Protection approval soon and be able to issue said permit.

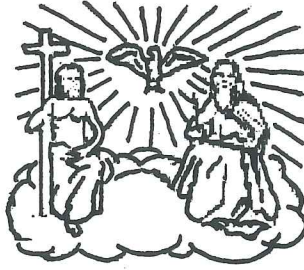

Further, be advised that the building and fire departments do not have any control of this building. Any residents wishing to access this structure for any reasons should contact the property owner directly

Respectfully,

Robert P. Pirozzi
Building Commissioner

Dear Mayor Hoyer,

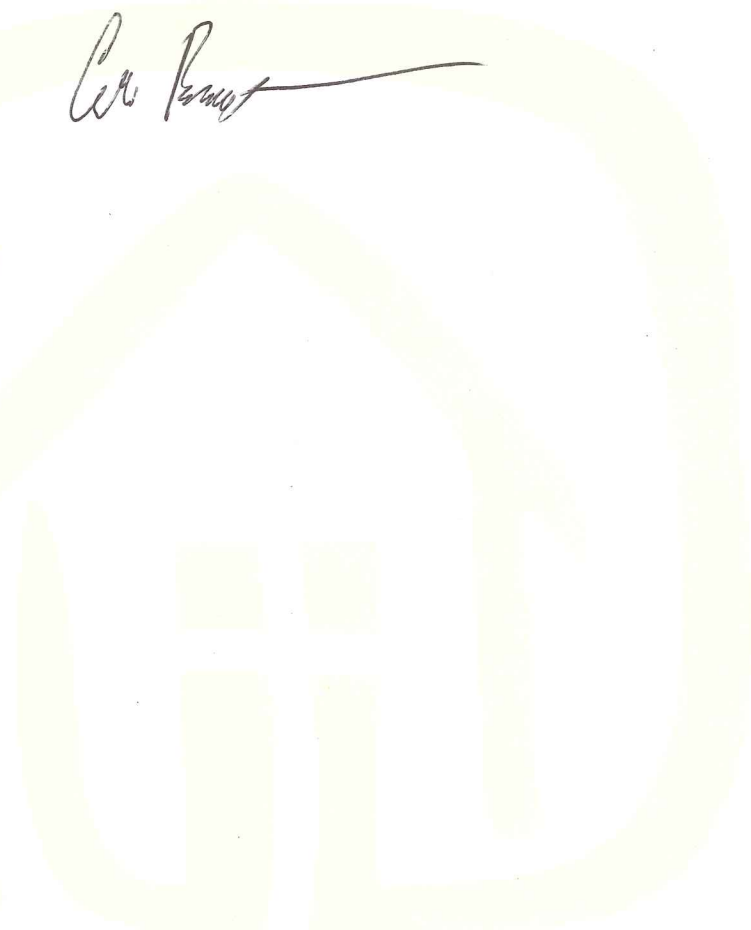

My name is Caleb Burghardt, Worship Pastor at MeetingHouse Church. Pastor James Thomasson and I are organizing this year's Free Movie Saturdays at Tom and Jimmy's at The Star Drive In. In addition, we will be putting on a free outdoor concert featuring local bands on August 9th and holding an outdoor service on August 10th from 10:00-11:00 am at the same location. We understand that the city stage is available on those dates and we would like to use it. We would need it set up at 11:00 am on August 9th, and need it until 1:00 pm August 10th. Thank you for your time and consideration.

Sincerely,

Caleb Burghardt
