Section 12-1. Licenses and Permits; denial, revocation, or suspension

- (a) This ordinance is enacted pursuant to, and under the authority of, Massachusetts General Laws, Chapter 40, Section 57, the provisions of which have been accepted by the City of Taunton.
- (b) The purpose of this ordinance is to set forth a mechanism by which any licensing or permitting authority in the City of Taunton may deny any application for, or revoke or suspend a building permit or any local license or permit, including renewals and transfers, issued by any board, officer, or department of the City of Taunton for any person, corporation or business enterprise, who has neglected or refused to pay any local taxes, fees, assessments, betterments, or any other municipal charges, including amounts assessed under the provisions of G.L. c. 40, § 21D, or with respect to any activity, event, or other matter which is the subject of such license or permit and which activity, event or matter is carried out or exercised or is to be carried out or exercised on or about real estate whose owner has neglected or refused to pay any local taxes, fees, assessments, betterments or any other municipal charges.
- (c) For the purposes of this ordinance, the term “local taxes, fees, assessments, betterments or other municipal charges” shall be construed to include, without limitation, police details, fire details, proceeds from the sale of official City of Taunton waste bags, or any other sum lawfully due to the City of Taunton.
- (d) The treasurer/collector shall annually furnish to each department, board, commission or division, hereinafter referred to as the licensing authority, that issues licenses or permits including renewals and transfers, a list of any person, corporation, or business enterprise, hereinafter referred to as the party, that has neglected or refused to pay any local taxes, fees, assessments, betterments or

other municipal charges for not less than a twelve month period, and that such party has not filed in good faith a pending application for an abatement of such tax or a pending petition before the appellate tax board.

- (e) The licensing authority may deny, revoke or suspend any license or permit, including renewals and transfers of any party whose name appears on said list furnished to the licensing authority from the treasurer/collector or with respect to any activity, event or other matter which is the subject of such license or permit and which activity, event or matter is carried out or exercised or is to be carried out or exercised on or about real estate owned by any party whose name appears on said list furnished to the licensing authority from the treasurer/collector; provided, however, that written notice is given to the party and the treasurer/collector, as required by applicable provisions of law, and the party is given a hearing, to be held not earlier than fourteen days after said notice. Said list shall be prima facie evidence for denial, revocation or suspension of said license or permit to any party. The treasurer/collector shall have the right to intervene in any hearing conducted with respect to such license denial, revocation, or suspension. Any findings made by the licensing authority with respect to such license denial, revocation or suspension shall be made only for the purposes of such proceeding and shall not be relevant to or introduced in any other proceeding at law, except for any appeal from such license denial, revocation or suspension. Any license or permit denied, suspended or revoked under this section shall not be reissued or renewed until the license authority receives a certificate issued by the treasurer/collector that the party is in good standing with respect to any and all local taxes, fees, assessments, betterments or other municipal charges as of the date of issuance of said certificate.
- (f) Any party shall be given an opportunity to enter into a payment agreement, thereby allowing the licensing authority to issue a certificate indicating said limitations to the license or permit and the validity of said license shall be conditioned upon the satisfactory compliance with said agreement. Failure to comply with said agreement shall be grounds for the suspension or revocation of said license or permit; provided, however, that the holder be given notice and a hearing as required by applicable provisions of law.
- (g) The Municipal Council may waive such denial, suspension or revocation if it finds there is no direct or indirect business interest by the property owner, its officers or stockholders, if any, or members of his immediate family, as defined in G.L. c. 268A, § 1, in the business or activity conducted in or on said property.
- (h) This ordinance shall not apply to the following licenses and permits:

- (i) If any provision of this section is held to be invalid by a court of competent jurisdiction, then such provision shall be considered separately and apart from the remaining provisions, which shall remain in full force and effect.

SECTION 5. Subsection (2) of Section 18-71 of Article III of Chapter 18 of the Revised Ordinances of the City of Taunton, as amended, is hereby repealed.

FOR YOUTH DEVELOPMENT
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

February 21, 2013

To Whom it May Concern,

I am writing to request that the Old Colony Y be on the agenda for your March 5th City Council meeting. We would like to discuss the mission of the Old Colony YMCA and inform people about our upcoming 3rd Annual Spin-a-thon at the Taunton YMCA.

The Spin-a-Thon is a day to benefit the Taunton Y's Annual Support Campaign. This year's event will be held on March 23rd from 8:00 a.m. until 2:00 p.m. here at the Taunton Y. Our goal is to raise \$6,000 through the Spin participants, sponsorships and raffles. As the leading nonprofit for youth development, healthy living and social responsibility, the Y works side-by-side with our neighbors every day to make sure that everyone, regardless of age, income or background, has the opportunity to learn, grow and thrive. To do this important work, the Y relies on support from members, donors, volunteers, community leaders and our vendors.

About the Y-

Since 1887, The Old Colony YMCA (Y) is a charitable, non-profit Association committed to the development of strong spirit, mind, and body, guided by Judeo-Christian principles, to enrich the quality of life for everyone in our communities.

Currently, 121,299 individuals in our service area use our facilities annually. We serve the community through eleven branches; consisting of six full-facility branches (three with summer camps), a non-facility branch with a summer camp and year-round youth programs, a multi-site child care operation, a youth branch, a family services branch, and a social services branch that operates state-contracted residential programs and community based services for adolescents. We are the largest child care provider in the region, with more than forty sites, serving more than 2,200 children daily.

Youth Development- At the Y, we believe that all kids have amazing potential. The values and skills learned early are vital building blocks for life, and young people deserve an opportunity to discover who they are and what they can achieve. From the youngest in our child care programs to the teens in our basketball leagues and music programs, the Y gives all kids a place to belong, build confidence and learn positive behaviors grounded in our core values of caring, honesty, respect and responsibility.

Healthy Living – At the Y, we believe that being healthy means more than simply being physically active. The Y is a leading voice on health and well-being issues. The Y’s Diabetes Prevention Program is an innovative model that helps individuals at risk for type 2 diabetes take steps to improve their overall health. Through the Y’s Livestrong program, cancer survivors build physical emotional and spiritual strength. The Y is committed to empowering people to lead fuller lives.

Social Responsibility- At the Y, we believe that when we work together, we move individuals, families and communities forward. The Y responds to the most pressing needs of the greater Taunton community by working collaboratively to develop community based solutions. To help address the academic achievement gap for at-risk students, the Y has seamlessly integrated academic enrichment into its summer camp curriculum and worked with local school systems to provide free camperships to students who are in academic jeopardy.

When dealing with life’s daily demands, families need a place to go where they can feel supported and receive help in trying times. Deeply rooted in the greater Taunton community, the vision of the Old Colony YMCA Taunton Branch is to ensure that everyone regardless of gender, income or background has the opportunity to live life to the fullest. We encourage everyone to get involved by joining the Y where they can take advantage of the resources and support they need to be healthy and connected. Our “Membership for All” pricing ensures that every family can join the Y at a price level that fits their income.

I am hoping that you will consider us in giving a brief overview of our organization to your committee as well as invite them to our event on March 23rd. This is a phenomenal event that supports all facets of our mission: youth development, healthy living, and social responsibility.

Please don’t hesitate to contact me with any questions. Thank you for your consideration.

Sincerely,
