CHAPTER 20

STREETS AND SIDEWALKS

ARTICLE III. EXCAVATIONS AND OBSTRUCTIONS

Sec. 20-69

Be it ordained by the Municipal Council of the City of Taunton and by authority of the same as follows:

SECTION 1. Article III of Chapter 20 of the Revised Ordinances of the City of Taunton, as amended, is hereby further amended by striking out existing Section 20-69 and inserting the following Section 20-69 in its place.

Sec. 20-69 Same-Bond required.

- (a) No permit required for excavation in any street or way, including sidewalks and state highways located within the boundaries of the city, shall be granted unless and until the applicant has deposited with the city Treasurer/Collector an amount calculated by the Department of Public Works sufficient to complete any work related to the excavation not done to the satisfaction of the Department of Public Works. The amount shall be calculated by the Department of Public Works for each permit application. The applicant shall then cause the application to be brought to the Treasurer/Collector, who shall sign each permit application for which the required deposit is received. The applicant shall then return the application to the Department of Public Works for approval or denial of the application. The deposit shall be held by the treasurer/collector for not less than nine months following the completion of the project and shall not be released without written authorization from the Department of Public Works. If the City of Taunton is the permit applicant, and City of Taunton personnel are to perform the work, no deposit is required.
- (b) As an alternative to the deposit, an applicant may provide the treasurer/collector with a bond, which bond shall be kept current. A bond provided in accordance with this paragraph shall be deemed to be the deposit for the purposes of paragraph (a). The applicant shall cause the application to be brought to the Treasurer/Collector, who shall verify that a sufficient bond is in place and shall sign each permit application for which there is sufficient capacity under a bond to serve as surety. The applicant shall then return the application to the Department of Public Works for approval or denial of the application. Any such bond shall by its terms remain effective and in full form for a period of time sufficient to provide surety, but in any event not less than nine months following the completion of the project. The surety shall not be released sooner than nine

months following the completion of the project and shall not be released without written authorization from the Department of Public Works. Whenever such a bond shall re-issue or renew, said applicant shall cause same to be forwarded to the Treasurer/Collector.

- (c) This paragraph shall apply to Columbia Gas of Massachusetts and any successor (hereinafter Columbia Gas), the above paragraphs (a) and (b) notwithstanding. Columbia Gas is unique, in part, because of its status as a public utility governed by the Department of Public Utilities. No permit required for excavation in any street or way, including sidewalks and state highways located within the boundaries of the city, shall be granted to Columbia Gas unless and until Columbia Gas shall have provided the Treasurer/Collector with a bond, which bond shall be kept current. Whenever such a bond shall issue or renew, Columbia Gas shall cause same to be forwarded to the Treasurer/Collector. Columbia Gas shall submit each permit application to the Department of Public Works (DPW), who shall before issuing any permit cause each application to be forwarded to the Treasurer/Collector. The treasurer/collector shall verify that a sufficient bond is in place and shall sign each permit application for which there is sufficient capacity under a bond. Any such bond shall by its terms remain effective and in full form for a period of time sufficient to provide surety, but in any event not less than nine months following the completion of the project. The DPW shall cause each application to be returned to it from the Treasurer/Collector for approval or denial of the application. The bond shall remain in place for at least nine months following the completion of the work and shall not be released without written authorization from the Commissioner of the Department of Public Works or the Commissioner's designee.
- (d) When used in this section, Department of Public Works shall mean the Commissioner or Commissioner's designee and Treasurer/Collector shall mean the Treasurer/Collector or the Treasurer/Collector's designee.

SECTION 2. All ordinances or parts thereof inconsistent herewith are hereby repealed. This Ordinance shall become effective immediately upon passage.

Re: 775 John Quincy Adams Road, Parcel A

Dear Mayor Hoye, Council President Borges and Members of the Municipal Council:

I am pleased to report to you that the real estate closing on the above property took place on May 15, 2015. The City is now the owner of Parcel A. The deed is recorded at the North Bristol County Registry of Deeds, Book 22284 Page 11. Through the purchase of Parcel A by the City and the purchase of the remaining portion of the land by the Elks, the City was able to credit more than \$450,000 in taxes, interest and other municipal charges to its tax title account. The land purchases are the result of a joint effort by many, to include the Water Division of the DPW, the Assessor's Office, the Treasurer/Collector's Office, and the Law Department, in cooperation with our colleagues at the Elks, the Columbia Cultural Trust, the Department of Mental Health and the Division of Capital Asset Management and Maintenance.

Thank you for allowing me to be of assistance in this matter.

Respectfully,

Re: SAFE House Trailer

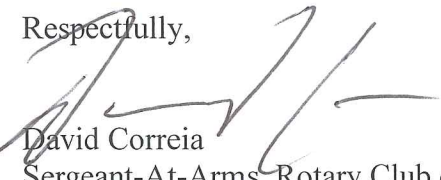

Dear Mayor and City Council Members:

On Saturday, June 27th, the Rotary Club of Taunton will host its annual Pancake Day, which serves as the Club's primary fundraiser. For the first time, this year's event will also be expanded to include additional activities in the afternoon from 1:00pm to 5:00pm such as live music, rides, games, entertainment, raffles, vendor market, and additional food. We are renaming the event as the "Taunton Rotary Pancake and Family Fun Day". To accommodate the additional activities and to provide suitable parking, the Club has also decided to relocate the venue to the Raynham Flea Market grounds.

The proceeds of this year's event will be used primarily to fund medical ID bracelets for every child who is in need of one in the Taunton school system, both public and private. Proceeds will also be used to provide scholarships to high school graduates.

We would like to provide the SAFE House Trailer at our community event, as the many children anticipated to attend with their families could benefit from this unique and fun way to promote fire safety education and awareness. We therefore respectfully ask for the permission and approval from the Mayor and Taunton City Council for the use of the SAFE House Trailer at our "Pancake and Family Fun Day".

Respectfully,
