RE: Extension of present contract for John F Parker Municipal Golf Course

Dear Mayor and Council Members:

On September 10, 2015 the John F. Parker Golf Course Commission voted unanimously to request the extension of the present management contract currently held by LEA Golf for a period of one year through December 31, 2016.

Article 14 of the contract gives the City the unilateral right to extend the contract for one year and one year only on the same terms and conditions.

The permits for the golf course expansion have either been granted or currently in the works. By extending this contract, it would allow LEA to complete the permitting process which would enable the City to go out for bid next year for a long term management contract with all the permits in hand.

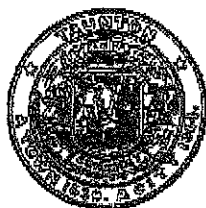

LEA Golf has done an excellent job with running, maintaining and improving the golf course currently. We believe that extending the current contract would be beneficial to all involved.

Sincerely,

Aline Mulhern
Golf Course Commission

RE: Neighborhood Crime Watch Revision Committee

Dear Mayor Hoyer and Members of the Municipal Council:

The Taunton Police Department is looking to revise the neighborhood crime watch meetings. Chief Edward J. Walsh has requested I develop a committee that would work together to revise how the meetings are run, what information should be communicated and overall guideline for the neighborhood crime watch meetings.

Ideally the committee should consist of residents who have attended neighborhood crime watch meetings in the past as well as one or two representatives from the Municipal Council. The goal of the committee is to create a new structure for the neighborhood crime watch program. I would like to extend an invitation to the Municipal Council to select a member(s) to be part of neighborhood crime watch revision committee.

If you could kindly let me know which Municipal Council members will be working on the committee I would greatly appreciate so that I can schedule the first meeting.

Sincerely,

A handwritten signature in cursive script that reads "Jennifer Bastille".

This letter is to inform the Taunton City Council the actions of three Taunton Police officers, Matthew McCaffrey, Steven Crownsfield and Peter Carr. These three officers escorted Kathleen Vieira from Silva Funeral Home to Saint Joseph's Cemetery on October 19, 2015. Kathy was a good friend of mine as well as countless others. She worked at Morton Hospital as a phlebotomist for over forty one years. Her patients were from Taunton as well as other surrounding towns. Most of her patients were cancer patients and the irony of that is, is that she too succumbed to brain cancer and passed away at her home surrounded by her friends which happen to be hospital workers also. The actions of these three police officers escorting us to the cemetery for Kathy's final ride are beyond words. I feel Kathy deserved the escort and the officers deserve a "Thank You." It was greatly appreciated and it will never be forgotten.

Thank You
Karen Perry
