Re: Traffic Signal Permit Acceptance
Myles Standish Boulevard at Robert W. Boyden Road

Dear Mayor Hoye, Councilors;

The issue of traffic signal visibility at this intersection is currently being addressed. After a site visit, I was able to identify the trees that are/were obstructing the view of the signal system. TMLP and the DPW also visited the site. The following was agreed to:

- TMLP will remove branches overhanging the roadway. These branches are also extending into their wires, and are partially obscuring the "LEFT LANE for LEFT TURN ONLY" sign. Removal of the trees is not possible as they are located on private property. Trimming of the trees will increase visibility to over 400 feet, adequate for a 50 mph travel speed.
- The DPW will be installing a "SIGNAL AHEAD" sign in advance of the intersection.

The sign has been ordered and there is a sign post available in the proper location. The sign will be installed as soon as it is delivered. It is not known when the trees will be trimmed.

I recommend the City accept the signal system contingent upon the completion of this work.

Sincerely,
City of Taunton

Mark B. Slusarz, P.E.
City Engineer

And members of the Municipal Council

Dear Mayor Thomas C Hoyer Jr and Members of the City Council,

Jeff Mahoney, the IT Manager at Jordan's Furniture, recently refreshed a large portion of their client computer equipment and would like to donate their older equipment to the City of Taunton. They have all had their data wiped back to a factory state. This equipment can be used in various departments throughout the city, TEMA and the Library .

The equipment list includes Dell OptiPlex Desktops and Samsung Galaxy Tablets.
Jordan's Furniture will furnish a list of all items donated to the city.

Respectfully,

Paul M. Arikian

October 15, 2014

Honorable Mayor Tom Hoyer and Members of the Taunton City Council

I watched the City Council meeting last month and was disturbed to hear the police chief's letter regarding use of Police and Fire equipment and personnel. I believe the statement was made that police personnel were used on occasions at the request of elected officials. I do not support Taunton tax payers being asked to foot the bill an event, such as the June 14th event, which is run and/or sponsored by an elected official.

I support the City and non-profit and/or charitable entities utilizing City personnel and resources. However, no elected official should be able to request tax payer resources. There is an inherent conflict.

I understand the Mayor and Council will be developing a policy regarding this in the future and I appreciate your work to address this issue. I am requesting the city ban any elected official from requesting and receiving the use of city personnel and/or resources as a means of promoting themselves. It's only fair.

Sincerely

Sherry Roderigues

President of the City Council,
