Honorable Thomas C Hoye, Jr. Mayor
Municipal Council
141 Oak Street
Taunton, Ma 02780

RE: Funding request

Dear Mayor Hoye and Members of the Municipal Council,

This letter is in regards to a request for an appropriation into the Planning and Conservation Budget. I am requesting funds for a new copier for the office. The current one is over 7 years old and has been breaking constantly with the scanner function being completely broken and the copier functions running at half speed when it works at all. The scan function is critical since we scan all our plans, decisions and most documents for our databases. Reliable copying is critical in order to process applications for review.

I have received a quote for a new one from Ricoh. (see attached)

Purchase Price: Ricoh MP2852Sp Digital Copier \$5,158.59 purchase price with trade in and removal from service of the existing copier.

Or

36 month Lease option for the same copier at \$156.86 per month or a total of \$1,411.74 for the remainder of this fiscal year. (total over 36 months would be \$5,646.96)

I request that the Municipal Council approve either the purchase option (\$5,158.59 appropriation) or lease option (\$1,411.74 appropriation with subsequent funding in upcoming fiscal years) and appropriate the corresponding dollar amount to **Planning and Conservation Account # 1-175-202-5420**.

If you have any additional questions, please contact me at 508-821-1051.

Sincerely,

Kevin R Scanlon,

RE: 524 Hodges Avenue

Taunton Municipal Council:

In regards to the property at 524 Hodges Street an inspection of the property was conducted on September 13, 2012 by Sanitary Inspector, Daniel Syriala. During the inspection it was found that the only high grass was in the very rear of the property in a fenced in area of the yard. The rest of the yard was being mowed and looked well cared for. There was also no evidence of an infestation of rodents, snakes or insects. Therefore, no violations of the Sanitary Code were noted at the time of inspection. The property will continue to be monitored to ensure the conditions noted at the time of inspection are maintained.

Sincerely,

Daniel Syriala
Sanitary Inspector

RE: 53 Berkley Street

Taunton Municipal Council:

In regards to the property at 53 Berkley Street a follow up inspection of the interior of the dwelling was conducted on September 13, 2012 by Mary Jane Benker of the Building Department and Daniel Syriala of the Board of Health. During the inspection it was found that significant progress has been made in the upstairs area of the dwelling. Specifically they have substantially cleaned the upstairs living areas and are making significant progress to remodel the bathroom. At this point the lower level of the dwelling is still in a state of disrepair. Therefore a re-inspection will be conducted at the beginning of October to confirm that they are continuing to make progress in cleaning the lower level and finishing the bathroom remodel.

Sincerely,

Daniel Syriala
Sanitary Inspector

To whom it may concern,

I am the Owner of the Grampy's Corner store located at 165 High St. in Taunton Ma, and I am requesting that the city Council revisit ~~my~~ the decree that I close between the hours of 1AM - 4AM. My business has been severely affected by this decree coupled with the Malaise economy we are in now. Allowing my store to open 24hrs would ~~also~~ increase my business.

Also, my tax rate of about \$27.00 per \$1000.00 is astronomically high for a small parcel that is utilized. Your attention to this matter is highly appreciated.

Thank you
